Rule 38. In lines 2, 7 and 8 of the Rule 38 delete the words "money, or". In line 3 delete the word "two" after the word "the" and the letter "s" of the word "rule".

Rule 39. In line 1 of Rule 39 delete the word "is" after the word "deposit". In line 10 the words "money or" should be deleted.

After Rule 39, the Rules 39A to 39H be inserted—

Rule 39A. Where any money is required to be paid to or deposited with the Registrar pursuant to the decree or order of the Court or a Judge or under the rules of this Court (except the deposit under Rule 36) to the credit of any suit, appeal, matter or other proceeding the same shall be paid by the party or his attorney into the Reserve Bank of India at Calcutta (hereinafter referred to as the "Reserve Bank") into the account entitled "Registrar, High Court, Original Side, Calcutta".

Rule 39B. Any person required to pay or deposit money to or with the Registrar shall present a Lodgment Schedule in the prescribed Form No. 5 to the Accountant for issue of a chalan to enable him to make the payment into the Reserve Bank. The lodgment schedule shall be accompanied by a certified copy of the decree or order directing the payment or shall bear a certificate from the Registrar endorsed thereon as to the amount to be paid and the time within which the payment is to be made. The Registrar may issue a certificate or reference to the copy of the minutes of the decree or order signed by the Court Officer or the relevant rules under which the money is required to be paid to or deposited with the Registrar.

Rule 39C. On presentation of the lodgment schedule, a chalan in duplicate in the prescribed Form No. 6 specifying the amount to be paid or deposited and the date within which it should be paid or deposited shall be issued by the Accountant to the person desirous of making the payment who shall thereupon present the same at the Reserve Bank and make the payment. The Reserve Bank shall on receiving the payment retain one copy of the chalan and return the other copy, duly signed and dated acknowledging receipt of the money, to the person making the payment who shall produce the same in the Registrar's office on the same date. The Reserve Bank shall not accept the payment if the amount is tendered beyond the date mentioned in the chalan as the last date for payment.

A receipt signed by the Registrar shall thereafter be issued to the party and the said chalan shall be retained in the Cash Department of the Court.

Rule 39E. The Accountant shall keep a register cause-wise of all money, effects and securities of the suitors of the Court, which shall be ordered or required by these rules or any other rules to be paid or delivered to or by the Registrar. The purpose for which the deposit is made and the orders of attachment received, if any, of the funds, shall be luly entered in the register. Unless otherwise provided in these rules or any other rules no money or securities shall be paid out of the funds lying to the credit of any suit, appeal, matter or proceedings without an order of Court. The Registrar shall, on requisition by a party to the suit, appeal, matter or proceedings to the credit of which the fund is lying, issue a certificate of such fund. Such certificate may also be granted to any person not a party to the suit, appeal, matter or proceedings on his requisition at the discretion of the Registrar subject to order of the Court or a Judge.

Rule 39F. When any money is deposited with the Registrar upon sale by him under rule 36 the Registrar shall as soon as possible after the receipt by him of such money deposit the same in the Reserve Bank with the chalan in duplicate in manner prescribed in the preceding rules.

The application shall be accompanied by a certificate of funds signed by the Registrar showing the amount, if any, standing to the credit of any suit, appeal, matter or other proceedings from which payment out is sought and the claims and attachments, if any, subsisting thereon on the date of the certificate.

Rule 39H. The Accountant shall check and tally the accounts maintained in the Cash Department every month with the monthly statements of receipts and payments to be received from the Reserve Bank and the Registrar shall certify under his signature every month that the accounts have been duly checked and tallied.

GOVERNMENT OF WEST BENGAL

LABOUR DEPARTMENT

ORDERS

No. 3153-I.R./IR/10L-99(A)/67.—12th July 1967.—Whereas under the Government of West Bengal, Labour Department, order No. 3537-I.R./IR/10L-97/62, dated the 6th August 1962, as amended (hereinafter referred to as the said order), the industrial disputes between the employers of the Engineering Establishments mentioned in list I of the said order and represented by themselves or by the organisations mentioned in list II of the said order on the one hand and their workmen represented by the trade unions mentioned in list III of the said order on the other, regarding the issues mentioned in the said order, being matters specified in the Third Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred to the Seventh Industrial Tribunal for adjudication ;

And whereas during the pendency of proceedings before the said Industrial Tribunal Shri Md. Jan, a workman of Messrs. Holman-Climax Manufacturing Ltd., Titaghur, 24-Parganas, one of the companies involved in the said disputes, made a complaint in writing to the said Industrial Tribunal against the said company alleging that the said company had dismissed the said workman concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Industrial Tribunal has adjudicated upon the said complaint and submitted its award to the State Government ;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act by Shri Md. Jan, a workman of Messrs. Holman-Climax Manufacturing Ltd., Titaghur, 24-Parganas, C/o. Holman-Climax Employees Union, 16/2K Beleghata Main Road, Calcutta-10. (Case No. 11/67 under section 33A.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri R. K. SHARMA, H.J.S., Judge,
Seventh Industrial Tribunal.

For the applicant workman: Shri K. K. Acharjee, Secretary of Holman-Climax Employees Union.

For the Company: Shri D. K. Ghosh, Advocate of Messrs. Orr. Dignam and Co., Solicitors and Mr. A. K. Pengelly.

AWARD

The present proceedings were started upon an application under section 33A filed by Shri Md. Jan, an employee of Messrs. Holman-Climax Manufacturing Ltd. of Titaghur, 24-Parganas (hereinafter called the Company), against the Company for the dismissal of the petitioner by the Company from its service. The applicant further alleges that during the pendency of an industrial dispute referred to this Tribunal for adjudication under Order of Reference No. 3537-IR., dated 6th August 1962, the applicant was dismissed by the Company taking resort to unfair labour practice and with a view to victimisation.

On receiving the application, a notice was duly issued and was served upon the Company, fixing 16th June 1967 for filing of written statement by the Company. On 16th June 1967 Shri A. K. Bhaumik, Advocate of Messrs. Orr. Dignam and Co., Solicitors, put in his appearance for the Company and filed a petition praying for six weeks' time to file the written statement on the ground that the Management of the Company was forcibly dispossessed of the factory premises by its workmen and due to the continuous Gherao and other indisciplined acts by the workmen, the Management had not gained possession of its factory premises and in the circumstances the Company was not in a position to file its written statement on the date fixed. The Tribunal heard the petition and allowed the prayer of the Company and called upon the Company to file the written statement by 17th July 1967.

Thereafter, Mr. A. K. Pengelly and Shri D. K. Ghosh, Advocate, appeared for the Company, and Shri K. K. Acharjee appeared for the applicant workman before this Tribunal and filed a petition on 26th June 1967. The parties to the dispute stated before the Tribunal that the industrial dispute in question has been amicably settled by the parties out of court in terms of Annexure 'A' to the petition filed by them. My attention was drawn to item No. 5 of the terms of settlement from which it appears that the applicant employee, Md. Jan, was reinstated in the service of the Company maintaining the continuity of his service and treating the period of unemployment between the date of dismissal and the date of rejoining by the applicant as leave without pay.

I have considered the terms of the settlement and I find the same fair and reasonable. Therefore, I have no hesitation in accepting Item No.5 of the terms of settlement arrived at by the parties to the dispute. In view of the compromise effected out of court by the parties, there is no longer any subsisting dispute between the parties and therefore I pass a "no dispute" award. Item No. 5 of the terms of settlement arrived at between the parties shall be treated as Annexure 'A' to this award.

Dictated and corrected by me.

R. K. SHARMA,
Judge.

AWARD

By order No. 3117-I.R./IR/11L-119/66, dated 5th August 1966, the Government of West Bengal in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. C. Commons & Sons Ltd., 103/3 Diamond Harbour Road, Calcutta-38 and their workmen represented by C. Commons Mazdoor Union, 455A Diamond Harbour Road, Calcutta-34, regarding the matters specified in the Schedule to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, by notification No. 808-I.R./IR/3A-2/57, dated 11th March 1957, for adjudication.

Issue

Whether dismissal of Shri Sidheswar Das is justified? To what relief, if any, is he entitled?

On receipt of the Order of Reference usual notices were served on the parties and they appeared and filed their written statements.

It is not disputed that the concerned worker Shri Sidheswar Das, a permanent employee of Messrs. C. Commons & Sons Ltd., hereinafter referred to in this award as the Company, was dismissed from service of the Company with effect from 25th August 1965, after a managerial enquiry into a charge-sheet of gross misconducts. Over the dismissal of Shri Das, the Union raised an industrial dispute before the Labour Directorate and conciliation proceedings were started. All attempts for amicable settlement of the dispute, however, failed and the matter was referred to this Tribunal for adjudication.

In its written statement filed, the Union has challenged the dismissal as illegal and unjustified and submitted that Shri Das has been dismissed on false charges by way of victimisation for his trade union activities and prayed for his reinstatement with all wages and other benefits during the period of his forceful unemployment. The Union further submitted that the departmental enquiry leading to the dismissal had offended the principles of natural justice inasmuch as Shri Das was not allowed to put questions of his like and leading questions were also asked by the Enquiring Officer.

In reply to the Union's written statement, the Company filed its own written statement on 26th November 1966 and therein it has not only denied the allegation of victimisation but has also submitted that the Union has no case for reinstatement of Shri Das as he has been found guilty of the major misconducts mentioned in the charge-sheet issued to him on 22nd July 1965, in a departmental enquiry in which he was given all reasonable opportunities to defend himself.

In view of the pleadings of the contending parties, main question for determination in this case will be whether the departmental enquiry leading to the dismissal of Shri Das was fair and proper. An enquiry can be said to have been fairly and properly held if it be found that in the enquiry the delinquent worker was given all opportunities to defend himself, viz., the opportunities to cross-examine the Company's witness as also to lead evidence in support of his own case and the enquiring officer's findings were not perverse. In the instant case, admittedly the enquiry into the charge-sheet of gross-misconducts issued to Shri Das was held by D.W.1 Shri S. K. Jain, the Purchasing Officer of the Company and his findings of the enquiry is Ext. F in the case. The proceedings of the enquiry is Ext. C. The charge-sheet on which this proceeding was held in Ext. 1. This charge-sheet which not only mentions the charges of misconducts for which Shri Das was ultimately dismissed from service but also gives the background of the charge which reads as follows:

> "It has been reported that you have instigated and incited other workers of the Morning and General Shifts to resort to an illegal strikes with effect from 1 p.m. on Monday, the 12th July 1965, on the ground of not closing the factory a few hours earlier on that day according to worker's request.
>
> "You have also threatened the Works Engineer for closing the factory two hours earlier, and when your request was not acceeded by the Works Engineer, you have threatened him with dire consequences and have incited all the workmen to walk out of the factory at 1 p.m. and you yourself left the factory following the workers resorting to strike.
>
> "No such notice has been given for ths stoppage of work or strike by the Union or anybody in accordance with the provisions of the Standing Orders.
>
> "The Management takes a serious view of your high-handed action and you are therefore charged for the misconducts of:
>
> 1. Wilful insubordination.
> 2. Riotous or disorderly behaviour during working hours at the establishment or any act subversive of discipline
> 3. Strike work and inviting others to strike in contravention of the provision of any law or rule having the force of law.
>
> "You are therefore asked to show cause why disciplinary action should not be taken against you for the above misconducts, within two days of the receipt of this charge-sheet.

> "If you fail to offer explanation within this time, it will be presumed that you have none to offer."

In his reply Ext. 2 to the charge-sheet, Shri Das has denied all the charges As this explanation submitted by Shri Das was not found satisfactory, a departmental enquiry was ordered and it has been already indicated that the said enquiry was held by D W 1 Though on a perusal of his and the delinquent's evidence before the Tribunal, and the proceedings of the enquiry I am satisfied that in the enquiry Shri Das was given necessary opportunities to exonerate himself of the various charges of gross misconducts as mentioned in the charge-sheet, Ext. 1, still I cannot uphold the dismissal of Shri Das on the findings of the enquiring officer as the enquiring officer's findings were perverse and it has been proved conclusively by the evidence of D.W.1 himself that somebody else had dictated the findings and he had only affixed his signature thereto.

Of the three charges of gross misconducts the first charge was "wilful insubordination". This charge was extremely vague and inadequate as the order alleged to have been flouted by Shri Das was not mentioned in the charge-sheet. For this vagueness alone, D.W.1's findings that Shri Das had committed this offence of wilful insubordination cannot be upheld. His findings of guilt on this charge is also open to criticism on the ground that he had no idea what this charge of wilful insubordination meant or conveyed. In reply to question put to him by Shri Pathak, appearing for the Union, D W 1, Shri S. K. Jain, stated that—

> "The charge of 'wilful insubordination' mentioned as charge No. 1 in the charge-sheet to Shri Das, in my opinion, meant that Shri Das had, on the material date, incited the other workers to go on strike and had also threatened the Works Engineer".

In reply to the Tribunal's question—"Wha do you understand by wilful insubordiation?," this witness said:

> 'There is some confusion in my mind regarding this charge. By this charge I meant inciting other workers to do something illegal '

After this answer of D.W.1 in cross-examination regarding the charge of 'wilful insubordiation', there cannot be the slightest hesitation to conclude that his findings of guilt regarding charge No. 1 was not only perverse but was also given at the dictation of the Management As evidence has come it can also be said that the findings regrding charges Nos. 2 and 3, as contained in Ext. E, were not also findings of D W 1 after appraisal of the evidence led at the enquiry but were findings of somebody else under his signature. In support of this observation I may refer to the 3rd paragraph from the end of the enquiry report Ext. E and to certain lines of the evidence of D.W.1 in cross-examination.

The enquiry under consideration was directed against Shri Das and another worker named Shri Lahari Prasad Sahi. The 3rd Paragraph of the report just referred to above, contains the findings of the enquiring officer against Shri Sahi. This very paragraph, in my opinion, proves that D.W.1 himself has not drawn up this report. It was observed in this paragraph—

> "As regards Del. No. 2 Lahiri Prasad Sahi, I hold that he is guilty of the misconduct of strike (himself) and aiding and abeting ring leader S Das in committing the misconducts as per charge-sheet."

But in course of his evidence in cross-examination D.W.1 admitted that he does not know the meaning of the words 'aiding' and 'abetting'. Relevant portion of his evidence in this connection appears at page 4 of his evidence before the Tribunal where he has said in answer to question put to him by Shri Pathak, that he knew the meaning of 'aiding' and abetting' but does not remember the meaning and cannot say what sense these terms 'aiding and abetting' convey. After this admitted ignorance of D.W 1 about the meaning of 'aiding and abetting', it is fultile to argue that the enquiry report exhibited in the case was his own report based on the evidence led before him at the enquiry and I am convinced that the report contains the findings not of D.W 1 but of somebody else interested in the dismissal of the concerned worker. The report, in other words, was a report obtained by the Management in collusion with the Enquiring Officer D.W.1. Another circumstance which lends support to this conclusion is D.W.1 Shri Jain's finding Shri Das guilty of the charge of wilful insubordination and Shri Sahi of aiding and abetting Shri Das in the commission of this misconduct without even knowing what the charge of "wilful insubordination" meant. On such report the dismissal of Shri Das cannot be upheld.

It has already ben indicated above that Shri Das was prosecuted on three charges viz:—

1. Wilful insobrodination.
2. Riotous or disorderly behaviour during the working hours at the establishments or any act subversive of discipline.
3. Strike work and inviting others to strike in contravention of the provisions of any law or rule having the force of law.

Before the Tribunal, the Company examined no witness to substantiate the charges but it only relied on the evidence of the enquiry officer and his report and findings at the enquiry, to justify the dismissal. When therefore, for reasons already stated, dismissal of Shri Das on the findings of the enquiring officer cannot be uphold his dismissal must be held illegal and unjustified. Of the three charges against him, charge No. 1 was extremely vague Charge No. 3 also was vague in the sense that it did not mention the law or the rule said to have been contravened by Shri Das by his alleged striking works and inciting other to strike work on the material date and this vagueness of this charge also in my opinion, proves the mala fides of the findings that Shri Das was guilty of these two charges, viz., charge Nos. 1 and 3 as well. For this, as also for the findings already given regarding the enquiry report, the action taken by the Management against Shri Das on the basis of the enquiry report, cannot be upheld When therefore, the Company has made no attempt to prove the charges before the Tribunal, Shri Das's dismissal must be set aside as illegal and unjustified. It is proved by the evidence led on behalf of the Union that at the material time Shri Das was a very active member of the Union and from the evidence on record as also from the facts and circumstances of the case I am convinced that Shri Das's postion in the Union has spurred the Company to dismiss him on false charges. In other words, he has been dismissed by way of victimisation for his Union activities.

In view of the foregoing discussions and findings, Shri Das's dismissal must be held illegal and unjustified and the Union's prayer for his reinstatement with all back wages allowed. Accordingly an award declaring Shri Sidheswar Das's dismissal as unlawful and unjustified and directing the Company to reinstate him with all back wages and other benefits, if any, during the period of his forced unemployment is passed.

This is my award which is to be implemented within a month of its publication in the "Calcutta Gazette".

By order No. 4561-I.R./IR/7L-30-64, dated 26th November 1966, Government of West Bengal in its Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, an industrial dispute between Messrs. Howrah Mill Company Ltd., 493/C G. T. Road (S), Shibpur, Howrah and their workmen represented by Bengal Chatkal Mazdoor Union, 21 Atindra Mukherjee Lane, Shibpur, Howrah, regarding the matter specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of of the Industrial Disputes Act, 1947, by notification No. 808-I.R./IR-3/A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether the dismissal of Shri Mritunjoy Dutta is justified ? To what relief, if any, is he entitled ?

On receipt of the Order of Reference usual notices were issued to the parties fixing 26th December 1966 for their appearances as also for the filing of the written statement by the Union. Both the parties appeared on the date fixed and the Union took time till 20th January 1967 to file its written statement. The written statement was filed by the union on 20th January 1967 and the company was directed to file its written statement by 17th February 1967. No written statement, however, was filed by the company on that date and it took several adjournments to file the written statement. Ultimately on company's petition the time for its filing written statement was extended to 3rd June 1967. No written statement was however submitted on that date by the Company, instead a joint petition of compromise was filed by the parties stating that they have settled the industrial dispute on terms mentioned in their petition and praying for an award in terms of the petition.

The joint petition filed by the parties on 3rd June 1967 was signed by the union's representatives Shri Mritunjoy Dutta and Shri Debabrato Ghoshal and by Management's representatives Shri N. C. Srinivasan and Shri P. G. Nayar. Company's Advocate Shri J. Datta Gupta was also a signatory to the petition. I have heard the parties' representatives on the petition and also considered the terms of compromise as embodied in the petition. The terms appear to me quite fair and reasonable and I am statisfied that the industrial dispute has been amicably settled on terms mentioned in the petition and that there is no subsisting dispute between them. Accordingly a 'No-dispute' award in terms of the petition is passed. The joint petition filed by the parties do form part of the award.

This is my award.

AWARD

These proceedings arise out of a petition filed by Shri Upendra Das under section 33A of the Industrial Disputes Act, against Messrs. Belur Iron Foundry and Engineering Works, hereinafter called the Company, alleging refusal of employment by the Company to the petitioner who was a permanent workman during the pendency of the industrial dispute referred for adjudication to this Tribunal under G. O. No. 3537-I.R., dated 6th August 1962.

On receipt of the application, notice was served upon the Company directing the Company to file its written statement on or before 18th August 1965. On 18th August 1965 the Company put in its appearance before the Tribunal and prayed for extension of time to file the written statement. The petition was granted. But again the Company wanted extension of time which was also granted. Thereafter also, extension of time was prayed for and granted to the Company. On 15th October 1965, written statement was filed by the Comapny. Thereafter steps regarding production of documents, etc., were taken by the Tribunal. Ultimately, on 21st July 1967 Shri K. Banerji, Advocate for the applicant workman, appeared before the Tribunal and Shri B. Ash, Advocate for the Company also appeared with a joint petition of compromise and filed the same. The learned lawyers made their submissions before the Tribunal.

The joint petition of compromise filed before the Tribunal states that the dispute was amicably settled between the parties out of court on terms mentioned in the petition itself. The learned lawyers prayed that the petition of compromise be accepted and an award be passed in terms of the settlemet and incorporating the same.

Perused the petition of compromise and the terms of settlement. I find the terms of settlement fair and reasonable. The terms of settlement have satisfied the parties and there is no reason why the Tribunal should not be satisfied with it. I accept the compromise petition and pass a compromise award in terms of the settlement arrived at between the parties amicably. The petition of compromise filed before the Tribunal shall be published as Annexure A and be treated as part of this award.

Short Recital of the Case :

The workmen of Mercury Travels (India) Private Limited represented by Mercury Travels (India) Private Limited Employees' Union raised certain disputes with the Government of West Bengal, Labour Department. Some of the disputes were ultimately referred by the Government of West Bengal before the Hon'ble Fourth Industrial Tribunal, West Bengal, for adjudication vide order No. 3366-I.R./IR/11L-4/66, dated 23rd August 1966. The issues covered under reference were : (1) Dearness Allowance, (2) Revision of Scales of Pay and Grade, (3) Medical Benefits, (4) Sick Leave, (5) Overtime Allowance, and (6) Working Hours.

The parties to the dispute with a petition to the Honourable Court decided to settle the issues amicably through bipartite discussions and as a result the issues under reference before the Honourable Court are settled on the following terms :

Terms of Settlement :

(1) *Dearness Allowance* : It is agreed by and between the parties that the present Pay Scales being consolidated, the Management in consideration of the rise in the market price, agrees to pay with effect from 1st April 1967, Rs. 20 per month to all workmen on roll, drawing a monthly salary up to Rs. 500 and this amount will be marged with the existing consolidated salary of the individual workmen.

It is further agreed by and between the parties that with effect from 1st April 1967, a Linking Dearness Allowance Scheme will be introduced and the linking rate introduced will be linked with the working class Consumers Price Index (base 1939-100 points) as published by the Government of India provided such linking will only start over the C.P.I. points as was prevailing in October 1966. The linking will be variable with increase or decrease of Consumers' Price Index beyond the points as was prevailing in October 1966, at the rate of 0.12 P. for every point of increase or decrease of C.P.I. from October 1966 up to April 1968. Thereafter, the linking rate will be increased to 0.15 P per point. The workmen will, therefore, receive higher or less Dearness Allowance with increase or decrease of Consumers' Price Index over and above the points as was prevailing in October 1966. The review of Consumers' Price Index will be done half-yearly and the payment, if any, will be on the average of six months Consumers' Price Index. The review will be done only on publication by the Government of India for C.P.I. points for the particular period of six months. The payment, if any, or deduction as the case may be will be effected with the salary of the following month after the actual review is done on publication of C.P.I. points as aforesaid. The increase or decrease, as the case may be, shall, therefore, have effect in April and October in each year.

(2) *Revision of Gradation and Scales of Pay* : It is agreed by and between the parties that Revised Pay Scales will be operative and effective from the 1st of April 1967 and the said Revised Pay Scale is a part of this Agreement as Annexure "A". In fitting a particular workman in the Revised Gradation, his usual increment under the Revised Scale will be paid and difference in fitment is to be adjusted.

(3) *Medical Benefit* : It is agreed by and between the parties that first aid in broad sense will be provided to the workmen from the date of signing of this Agreement, during the working hours and in case someone is sick at his residence and if it is found that the case is genuine, the Company on its own discretion shall bear the actual medical expenses which will not include the Surgery, Opthalmic and/or Dental treatment.

(4) *Sick Leave* : It is agreed by and between the parties that the permanent workmen will be entitled to 15 days sick leave with full pay in a year from the date of signing of this Agreement, provided the sickness is certified by a Registered Mmedical Practitioner. The other conditions governing the facilities of sick leave will be as per the West Bengal Shops and Establishments Act. This benefit of sick leave, however, will be discontinued in future if the workmen are covered by the Employees State Insurance Act.

(5) *Overtime Allowance* : It is agreed by and between the parties that for extra work done over the usual working hours the workmen will be entitled to overtime wages/salary at the rate of 1½ times of their salary from the date of signing of this Agreement.

(6) *Working Hours* : It is agreed by and between the parties that in case there is no satisfactory solution to the issue of working hours within one year from the date of this Agreement, the matter may be further opened for mutual discussion and settlement between the parties.

Coverage period of the Agreement :

It is agreed by and between the parties that this settlement will be valid and remain operative for a period of two years from the date of signing the Agreement and during the operative period of this Agreement the Union and workmen will not raise any financial demand. This does not, however, prejudice the workmen's right for any benefit to be derived from law or other statutory provisions including bonus. The workmen will, however, redress their grievances through peaceful means.

This settles all the disputes on date. The parties agree to forward this Memorandum of Settlement to the Hon'ble Fourth Industrial Tribunal, West Bengal, to give an award accordingly.

AWARD

By order No. 3211-I.R./IR/11L-95/66, dated 11th August 1966, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, an industrial dispute between Messrs. Parakh Kothi Ltd., 16 Pagya Patty Street, Calcutta-7 and their workmen represented by Barrabazar Zamadar Sangh, 90 Lower Chitpur Road, Calcutta-7, regarding the matter specified in the schedule to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, by notification No. 808-I.R./IR-3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether termination of employment of Sarbashri Kaloo and Sadhu is justified? To what relief, if any, are they entitled?

On receipt of the Order of Reference, usual notices were served on the parties and they appeared and filed their written statements.

It is not disputed that Sarbashri Kaloo and Sadhu, the two workers mentioned in the Order of Reference, were in employment of Messrs. Parakh Kothi Ltd., hereinafter referred to in this award as the Company, as sweepers. The Sangh's case in short is that both the two workers were permanent employees of the Company and were at the time of their dismissal, drawing a salary of Rs. 50 each per month. On 29th January 1966, they reported for duties as usual but the Management called them and verbally directed them not to come to work as they had been discharged. The two workmen asked the Management reason for their dismissal but no reply was given. Thereafter the Sangh took up their cause, and approached the Labour Directorate for intervention. Conciliation proceedings were started but all attempts at amicable settlement failed. The dispute raised over the dismissal of the 2 workmen was thereafter referred to the Tribunal for adjudication. The Sangh contends that as no charge-sheet of misconduct was issued to any of the 2 workmen and they also were not given any hearing before their dismissal, the Company had no justification to dismiss them from service and prays for their reinstatement with full wages and other benefits during the period of their forced unemployment.

In its written statement filed, the Company has not only denied the Sangh's allegation that it had dismissed the 2 workmen on 29th January 1966, but has also submitted that the 2 workmen were both part-time workers and have of their own accord given up their services under it, Shri Kaloo with effect from 29th January 1966 and Shri Sadhu with effect from 31st January 1966. The Company also took preliminary objection that the reference is bad and incompetent in law inasmuch as the Sangh, mentioned in the Order of Reference, viz., Barrabazar Zamadar Sangh had no *locus standi* to espouse the cause of the workmen.

As the preliminary objection regarding the maintainability of the reference case goes to the route of the case, is taken up first for consideration.

It is not disputed that the Barrabazar Zamadar Sangh is not a Union of the employees of the Company nor has any unit in the Company. If, therefore, it is not proved by the evidence led on behalf of the Sangh that the majority of the workers of the Company were its members and had through it raised the industrial dispute over the dismissal of the two workmen, it must be held that the Sangh had no right to take up the cause of the two workmen or to represent them before the Labour Officer. In course of his evidence before the Tribunal Shri Ramchandra Pandey (P.W.1), the Assistant Secretary of Barabazar Zamadar Sangh, has said that the two workmen had become members of the Sangh in 1959 and that most of the 8/10 menials of the Company are members of the Sangh. None of the other menials of the Company was, however, called by the Sangh to corroborate these statements of P.W.1 Shri Pandey; no document proving the membership of those other menials was also produced by the Sangh. In this view of the matter on the uncorroborated testimony of P.W.1 alone, it is not possible to uphold the Sangh's contention that majority of the workers of the Company were its members at the material time. When in its written statement filed the Company has seriously challenged the Sangh's right to represent the concerned two workmen before the Labour Officer or to raise on their behalf any industrial dispute over the termination of their service, it was highly incumbent on the Sangh to adduce the best evidence in its possession to meet the challenge. If the Union's case was true, the best evidence in its possession to prove the two workmen's right of representation by it was its register of members, receipts issued to the members for subscriptions paid by them, and failing the receipts, their counterparts or counterfoils. No such document was, however, produced by the Sangh and no explanation for their non-production was also given on behalf of the Sangh. In these circumstances, uncorroborated testimony of P.W.1, Shri Pandey was not in my opinion, sufficient proof of the Sangh's assertion that it represents the majority of the menials of the Company. As a corollary from this observation follows the inescapable conclusion that the Sangh had no right under law to espouse the cause of the concerned workmen or to represent them before the Labour Officer. The dispute referred to the Tribunal was therefore, never an industrial dispute but was only "individual dispute" of the concerned workmen. For these findings regarding the nature of the dispute under reference, the case, however, cannot fail as since the amendment of the Industrial Disputes Act in 1965 which amendment came into force with effect from 1st December 1965, individual dispute is also referable for adjudication to the Tribunal as an industrial dispute. The preliminary objection as to the maintainability the reference-case as taken by the Company cannot, in these circumstances, be uphold. The dispute over the non-employment of the 2 workmen might not have come to this Tribunal had not the Sangh taken up their cause. But once the dispute has been referred to the Tribunal, it must be adjudicated on merits though the party, viz., the Sangh (Union) at whose instance the reference was made, had no *locus standi* to espouse their cause. Accordingly I hold that the Company's contention that the Reference is bad in law, has no merit. The preliminary objection raised by the Company as to the maintainability of the case therefore fails. Having thus disposed of the preliminary objection as taken by the Company, let me now enter into the question whether the 2 concerned workmen are entitled to any relief whatsoever in this case.

It has already been said that both the workers Shri Kaloo and Shri Sadhu were sweepers of the Company. The Union contended that both these workers were permanent workers and have been refused employment since 29th January 1966, without any just or sufficient reason. The Company on the other hand, stated that both of them were part-time workers and had of their own accord, given up their services under it, Shri Kaloo with effect from 28th January 1966 and Shri Sadhu from 31st January 1966. In support of this contention the Company relied on certain vouchers of payments marked Exts. A, A(1), A(2) and A(3), attendance registers collectively marked Ext. C and the oral testimony of the two witnesses, viz., Shri Dargahi, D.W.1 and Shri Ramlal Dugar, D.W.2, its sweeper and Senior Officer and Constituted Attorney, respectively It is proved by this evidence on behalf of the Company that both the workers were temporary workers and had absented from duties for a pretty long time on several occasions without leave or permission of the Management.

The workers did not dispute that on occasions they had been absented from duties for a pretty long time but have said in their evidence that whenever they had gone on leave, they had themselves arranged for substitutes to work in their absence and that they themselves and not the substitutes, had received the pay for the period of their absence, on their report to duties. No independent corroboration to this evidence of the workers being available, it is not possible for me to conclude that the 2 workmen have been paid their wages for the period of their absence from duties. When therefore admittedly somebody else had worked in place of the 2 workmen during their absence from duties, it must be concluded that none of them was a permanent employee of the Company. It must further be held on the evidence on record that both of them were part-time workers and not full-time workers. All these findings in favour of the Company will not, however, be sufficient for an award in favour of the Company if the evidence on record proves that the 2 workmen had been unjustly refused work since 29th January 1966. The Company has denied refusal of work to any of these 2 workmen on 29th January 1966 or on any subsequent date and has ascertained to the contrary, that Shri Kaloo had not reported for duty with effect from 28th January 1966 and Shri Sadhu since 31st January 1966. D.W. 2 Shri Ramlal Dugar, Senior Officer and Constituted Attorney of the Patak Kuthi testified to this case of the Company and also stated in his evidence that as the 2 workmen were not turning up for duty, they had sent their letters under registered post which however, had come back unserved with the postal endorsement 'refused'. These two letters referred to in the evidence of this witness are Exts. D and D(1) and it is not disputed that at the time of these letters, the 2 workmen were residing at the address given on the letters, viz., 16 Pagya Patty Street, Calcutta-7, where the Company itself is situated. In course of his evidence D.W. 2 Shri Dugar said further that after the letters had been returned unserved, they had sent to Shri Kaloo by postal money order his arrear dues from the Company but the same also was returned unserved with postal endorsement 'refused'. In his evidence before the Tribunal, Shri Kaloo admitted the tender of the money order to him and his refusal thereof but flatly denied that subsequent to January 1966, the Company had sent him any letter under registered post. This denial of Shri Kaloo cannot, however, be believed by me as his address was correctly given on the letter and no reason has been given for Company's manipulating such a false letter. For similar reason it must be held that to the other workman Shri Sadhu the Company had sent the other letter, Ext. D. Both these letters to Shri Kaloo and Shri Sadhu, viz., Exts. D and D(1), were dated 4th March 1966 and by the letters, the workmen were not only informed that they were absenting from duties without any intimation but were also asked to collect the amount due to them from the Company. On evidence on record, it cannot be said that any of these letters was proceded by any letter of the workmen or of the Sangh on their behalf, to the Company relating to the issue under reference, or that they have been sent by the Company as a counterblast to the workmen's claim for reinstatement. Through the evidence of P.W. 1 and P.W. 2 the Sangh has no doubt tried to establish that immediately after the refusal of work to him on 29th January 1966, Shri Kaloo had sent to the Company the letter, Ext.1, protesting against the refusal of work to him, but as there is not the slightest evidence proving that any letter like Ext.1, had really been posted or delivered to the Company's Office, this case of Sangh cannot be accepted. It therefore follows that the alleged dismissal of the two workmen was not followed by any protest to the Company either by the Sangh or by the workers themselves. This absence of protest on the part of the Sangh and the workers coupled with the absence of any suggestion for Company's alleged refusal of employment to the 2 workmen since 29th January 1966 proves in my opinion,the mala fides of the Union's case for reinstatement of the workers concerned. These two workmen were admittedly working under the Company from long before the alleged refusal and neither in its written statement nor in the evidence led by it before the Tribunal, the Sangh has suggested any motive for the alleged refusal of work to them with effect from 29th January 1966. Had there been the slightest evidence indicating that the Sangh was trying to improve the service conditions of the workmen of the Company and the concerned workmen were active members of the Union, the Company might have some motive for suddenly dispensing with their services but when no such evidence is available the Sangh's case of refusal of work to the 2 workmen since 29th January 1966 cannot be upheld by me and on the evidence of D.W. 2.,Shri Ramlal Dugar and the letters Exts. D and D(1), I hold that since 28th January 1966 and 31st January 1966, respectively, Shri Kaloo and Shri Sadhu were not reporting for duty. They were temporary workers and their prolonged absence since the dates abovementioned without permission of the Management or even without notice to it, sufficiently proves that they have, of their own accord, abandoned their services under the Company. The 2 workmen have no doubt, said that they had reported for duty on 29th January 1966 but was refused work. But I cannot believe their evidence firstly, because the evidence lacks independent corroboration, and secondly, because they have fabricated the letter Ext.1 to substantiate their case of reinstatement. If the Sangh's case was true, this Ext. 1 was not an original letter but was only a copy of a letter said to have been sent to the Company. When however, not the slightest evidence indicating the sending or delivery of the original of Ext.1 to the Company is available,it must be concluded that the Sangh's case that immediately after the refusal of work, Shri Kaloo has sent the letter Ext.1 to the Company, was without any substance and that Ext.1 has been manipulated by it in collusion with Shri Kaloo to prove its case of refusal of work to the two workmen on 29th January 1966.

In view of the findings and discussions made above, Sangh's case of refusal of work to the two workmen since 29th January 1966 cannot be upheld by me and I hold that the two workmen have voluntarily and of their own accord, given up their job under the Company as stated by the latter in its written statement filed. The concerned workmen, viz., Shri Kaloo and Shri Sadhu are not accordingly entitled to any relief whatsoever in this case.

This is my award.

In deference to the notices issued on the parties both had appeared on 3rd June 1967 and filed a joint petition praying for time on the ground that the dispute was going to be settled amicably. Accordingly time was allowed till 26th June 1967 and on that date both parties filed a joint petition of compromise requesting the Tribuual to treat the case as closed under mutual settlement. The terms of settlement appear to be fair, reasonable and lawful, and they are accepted.

Accordingly, this award is passed on the basis of the joint petition of compromise which be annexed to the award as part thereof.

STATEMENT OF OBJECTS AND REASONS

Cases of hoarding of and profiteering in food grains, medical supplies, cloth and several other commodities essential to the daily life of the people have become common, but there being no deterrent punishment under a specified Act for these offences, these cases have gone on increasing at the hands of anti-social elements. It is felt that a severely deterrent punishment should be prescribed for these offences. This Bill seeks to make provision accordingly.

GOVERNMENT OF WEST BENGAL

LABOUR DEPARTMENT

ORDERS

No. 3429-I.R./IR/11L-217/67.—22nd July 1967.—Whereas under the Government of West Bengal, Labour Department, order No. 2379-I.R./IR/11L-217/67, dated the 6th June 1967, the industrial dispute between Messrs. Rawal Rubber Works, 1 Sugar Works Lane, Cossipore, Calcutta and their workmen represented by Rawal Rubber Works Mazdoor Sangha, 6 Muralidhar Sen Lane, Calcutta-7, regarding the issues mentioned in the said order being matters specified the third schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudicaion to the Seventh Industrial Tribunal.

And whereas the said Seventh Industrial Tribun has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Rawal Rubber Works, 1 Sugar Works Lane, Cossipore, Calcutta, and their workmen represented by Rawal Rubber Works Mazdoor Sangha, 6 Muralidhar Sen Lane, Calcutta-7. (Case No. VIII-309 62.)

BEFORE THE SEVENTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri R. K. SHARMA, H. J. S., Judge,
Seventh Industrial Tribunal.

For Rawal Rubber Works Mazdoor Sangha : Shri Parimal Bhattacharjee, Secretary.

For Messrs. Rawal Rubber Works : Shri Rabindra Kumar Singh, Works Manager.

AWARD

An industrial dispute involving hereinafter mentioned four issues between Messrs. Rawal Rubber Works, 1 Sugar Works Lane, Cossipore, Calcutta, and their workmen represented by Rawal Rubber Works Mazdoor Sangha, 6 Muralidhar Sen Lane, Calcutta-7, was referred by Government of West Bengal, Labour Department, order No. 2379-I.R./IR/11L-217/67, dated Calcutta, the 6th June 1967, to the Seventh Industrial Tribunal for adjudication.

Issues

1. Retiral benefits.
2. Sick leave.
3. Medical benefits.
4. Increment in wages.

On receipt of the order of reference, due notices were issued to the parties fixing 29th June 1967 for their appearance and for filing of written statement by the Mazdoor Sangha. On 29th June 1967 Shri Parimal Bhattacharjee, Secretary of the aforesaid Mazdoor Sangha, appeared before this Tribunal in compliance with notice issued upon Rawal Rubber Works Mazdoor Sangha. Shri Rabindra Kumar Singh, Works Manager, appeared before this Tribunal on behalf of the aforesaid Messrs. Rawal Rubber Works (hereinafter called the Company). A joint petition of compromise was filed along with a copy of Memorandum of Settlement arrived at between the parties out of court. Shri Bhattacharjee and Shri Singh made their oral submissions before the Tribunal while moving the joint petition.

Considered the petition along with the Memorandum of Settlement filed before this Tribunal. In the joint petition, it has been made clear that the dispute involving the aforesaid issues was settled in the presence of Shri R. N. Misra, Conciliation Officer, on 2nd June 1967. In the petition, it has further been mentioned that as all the issues have been settled, the instant reference is imcompetent and the parties do not want to proceed with it.

Perused the Memorandum of Settlement. This Memorandum clearly shows that in the presence of Shri R. N. Misra, Conciliation Officer, the dispute was settled and the Memorandum was signed by Shri M. Misra for employees and by Shri R. K. Singh for employer. Shri N. Singh and Shri Indrapati Singh appear to have signed the Memorandum of Settlement as witnesses. The Memorandum of Settlement was executed and singed on 2nd June 1967.

Therefore, it is clear that before the order of reference for adjudication was actually passed, the parties who had been apparently negotiating for a compromise, settled their dispute amicabley between themselves with the help of the Conciliation Officer. It goes without saying that no reference can be made for the adjudication of a dispute which does not subsist or which ceases to subsist on the day the reference is made. Apparently the Labour Department of the Govern- was unaware of the compromise that had taken place. Hence, the reference. However, as there is no subsisting dispute between the parties which involves the issues hereinbefore stated and as this parties do not want to proceed with the matter, I pass a no-dispute award.

The Memorandum of Settlement abovementioned is set out below as Annexure A.

On receipt of the Order of Reference usual notices were issued on the parties fixing 25th July 1966 for their appearances and for filing of the written statement by the Union. On that date the parties appeared and the company also filed a letter authorising Shri Jiten Banerjee, its Labour Officer to represent it before the Tribunal. No written statement was, however, filed by the union on that date and it took time to file its written statement. After taking several adjournments the union filed its written statement on 1st November 1966. The company was directed by order No. 7, dated 1st November 1966, to file its written statement on 1st December 1966. On 1st December 1966 Shri Jiten Banerjee for the company appeared and filed a petition for time to file written statement. On that petition 2nd January 1967 was fixed for filing of written statement by the company. None on behalf of the company, however, appeared on 2nd January 1967 and no steps on behalf of the company was also taken on that date. Accordingly 2nd February 1967 was fixed for fixing a date of ex-parte hearing. In view of the congestion of files in the Tribunal, 26th June 1967 was fixed for the hearing of the case and on that the union examined two witnesses and exhibited certain documents to substantiate its case as stated in its written statement filed.

In the written statement filed on behalf of the union it has been stated that by notice, dated 26th March 1966, the company had suspended all the workmen of the Smithy Shop of the Company mentioned in schedule I of the Order of Reference with effect from 28th March 1966, on some flimsy and false grounds. The union contends that the suspension of the workmen was illegal and unjustified and prays for direction on the company to pay the workers their full wages during the entire period of their suspension.

It appears from the union's written statement that the workers of the Smithy Shop were directed to repair without charging anything as their remuneration the defective goods produced in the Shop and that they had been suspended for their refusal to comply with the said direction. Witness No. 1 for the Union, its Secretary Shri Ram Naresh Ghosh, has stated that due to the defects in the machine of the Smithy Shop, defects were always found in the goods made in the Shop and that inspite of their repeated requests for replacement of the machine, the company, still persisting with the old machines. If all these statements of Shri Ram Naresh Ghosh be believed, and there is no reason why they should not be believed, it must be held that the company itself was responsible for production of defective goods in the Smithy Shop and that accordingly it had no justification to suspend the workers for their refusal to comply with the direction to repair the defective goods without charging anything as their remuneration.

The workers mentioned in schedule No. II of the Order of Reference were laid off with effect from different dates starting from 9th April 1966. This lay-off has also been challenged by the union as illegal and unjustified and it has in its written statement filed stated that these workers, who are all workers of machine-shop of the company at the material time, have laid off for their refusal to comply with the Management's direction to prepare *butalies* and other equipments necessary for their work in the machine shop. The union contends that as necessary equipments for work in the machine shop were always supplied by the Smithy Shop of the Company and the workers of the machine shop were never under any obligation to make their own equipment for their work in the shop, their refusal to prepare the equipments was not sufficient or justifiable grounds for their lay-off. In support of its case the union also relied on the evidence of Shri Ram Naresh Ghosh who has in course of his evidence before the Tribunal has said:

> "On 28th March 1966 the company suspended the workmen of the Smithy Shop as mentioned in the Schedule No. I. There was no enquiry regarding the suspension. These workers were suspended for 3 months and as a result thereof, the production of the Smithy Shop stopped. The result was non-supply of tools in the machine shop. The company also did not supply us *butalies* and other equipments necessary for working in the machine shop and directed the workmen to prepare their own *butalies* which the workmen refused. This refusal was followed by the lay-off of the workers mentioned in schedule No. II of the Reference. Never before the workers of the shop had made their own tools; all along the said tools had been supplied from the Smithy Shop."

As no witness on behalf of the company was examined to contradict the evidence of P. W. 1 as quoted above or to repudiate the union's case regarding the lay-off it must be held that the workers mentioned in Schedule II had been laid off for their refusal to carry out the Managements' direction to make their own equipments including *butalies* and this lay-off must be held illegal and unjustified as it is proved by the evidence of P.W.1 referred to above that making their own tools including *butalies* for their work in the shop was never within their duties. Under the law of contract of master and servant, the latter is under the obligation to carry out only reasonable orders of the master and not orders beyond his duties or unreasonable/illegal. When therefore, it is proved that the workers mentioned in schedule II had been laid off for their refusal to follow the unreasonable direction of the Management, the lay-off of the workers mentioned in Schedule II was certainly unwarranted and unjustified in law. I say that the direction to make their own tools was unreasonable because it has been proved by the evidence of P.W. 1 that making of the tools was not a part of the workers' duties under the company.

In view of the findings and the discussions made above, the suspension and the lay-off of the workers respectively mentioned in Schedule No. I and Schedule No. II of the Order of Reference are both held illegal and unjustified. The workers mentioned in the two schedules are accordingly entitled to full wages as prayed for by the union. An award directing the company to pay both the schedules' workers full wages for their period of suspension/lay-off is therefore passed.

This is my award which is to be implemented within a month of its publication in the "Calcutta Gazette."

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Hindusthan Steel Limited, P. O. Durgapur-3, district Burdwan, and their workmen represented by Hindusthan Steel Employees' Union, Nachan Road, P. O. Durgapur-4, district Burdwan. (Case No. 30 of 1967.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri L. C. BANERJEE, Judge,
Fifth Industrial Tribunal.

Present for the Company : Shri R. K. Das, Advocate.

Present for the Union : Shri B. P. Das, Advocate, and Shri Provat Nag, the concerned workman himself.

This is a reference by the Government of West Bengal, Labour Department, order No 203-I R./IR/10L-75/65, dated 19th January 1967, under section 10 of the Industrial Disputes Act, for adjudication of an industrial dispute between Messrs. Hindusthan Steel Ltd., P. O. Durgapur-3, district Burdwan, and their workmen represented by Hindusthan Steel Employees' Union, Nachan Road, P. O. Durgapur-4, district Burdwan, relating to the issue mentioned below.

Issue

Whether the dismissal of Shri Provat Nag is justified?
To what relief, if any, is he entitled ?

On receipt of the reference from Government, notices were served on both parties, and they appeared and filed their respective statements and documents. The case was taken up for hearing on 3rd May 1967, and on behalf of the Union only the workman concerned, namely, Shri Provat Nag was examined. The Company examined 3 witnesses. Several documents were marked exhibits on either side.

It is admitted on both sides that Shri Provat Nag was appointed as a semi-skilled worker in the Wheel Machine Shop in the Wheel and Axle Plant (operation)—on 11th April 1962 and subsequently he was promoted as a skilled worker, grade III, with effect from 1st November 1962. He was charge-sheeted in February 1963, and being found guilty in the domestic enquiry he was demoted to the post of semi-skilled worker on 8th June 1962. Thereafter, on an appeal to the General Manager by the workman, there was a fresh enquiry, and the latter was exonerated of the charges, and his original post of skilled worker, grade III, was restored to him. After that Shri Nag was transferred to the first operation on 15th July 1964.

It is alleged by Shri Nag in his written statement that though he was transferred to the operation department from the mechanical maintenance, neither his original post nor the pay of that post was restored to him, in accordance with the standing orders of the Company. He asserts that he was promoted as a skilled worker, grade II and posted to first operation on 19th April 1965 against the vacancy of a skilled worker, grade I, on acting basis. Shri Nag contends that he was again charge-sheeted on 18th May 1965 for (i) neglect of duty and slowing down of work and also for (ii) wilful insubordination or disobedience to lawful and reasonable orders of the superior. On the date of enquiry of this charge-sheet, it is said, Shri Nag was surprised to find another charge-sheet, dated 22nd April 1965, which had neither been delivered to him in person nor sent to his address by registered post and accordingly the instructions as per paragraph 31(g) of the Standing Orders was violated.

Regarding the charge-sheet, dated 18th May 1965, the petitioner was exonerated from the charge No. 1, but was found guilty of the charge No. 2. It was alleged in this charge "that in the C shift on 17th May 1965 you hand refused to work on machine of operation I on the pretext of defective eye glasses without producing necessary Medical Certificate in support". Shri Nag contends that during the day shift he had somehow pulled up the works though he had applied for leave so as to enable him to replace the glasses on 6th May 1965. But his application for leave was refused by Shri D. Mukherji, the Foreman. The latter also wrote to Shri Nag in the night shift of 17th May 1965 that he would not be marked present, and as such Shri Nag did not get wages for 17th May 1965. Shri Nag alleges that he was wrongly dismissed from service, and that the order of dismissal was passed by the Superintendent of the Wheel and Axle Plant who was not his appointing authority and, as such, the provisions in paragraph 31(f) of the Standing Orders were violated. He prays for reinstatement to the post he was working prior to his dismissal and payment of his arrear salaries and allowances.

Messrs. Hindusthan Steel Limited in their written statement states that Shri Provat Nag was charge-sheeted on 22nd April 1965 for "wilful disobedince to a lawful and reasonable order of a superior on 19th April 1965 and 22nd April 1965". The second charge-sheet was issued on 18th May 1965 on the two charges as stated above. The charge-sheet dated 22nd April 1965, was handed over to the petitioner and he received the same in presence of two officers of the Plant, but refused to acknowledge receipt of the same.

The charge-sheet was also affixed on the notice board of the general foreman. Shri Nag appeared at the enquiry and conducted his defence. The Enquiry Committee found him guilty of the charge of "wilful disobedience of a lawful and reasonable order of a superior", and he was accordingly dismissed from service with effect from 26th June 1965. It is further contented by the employer that the operation and maintenance of the Wheel and Axle Plant were under the Superintendent of the Rolling Mills, and he was the Head of the Department for both the sections. It is contented that the action taken by the Company was in accordance with the Standing Orders, and the principles of natural justice were duly observed.

The present reference arises out of two charge-sheets issued against Shri Provat Nag, one, dated 22nd April 1965 (Ext. F.) and the other, dated 18th May 1965 (Ext. F-1). In the first charge-sheet the allegation is "wilful disobedience to a lawful and reasonable order of a superior" as Shri Nag did not perform his duty on 19th April 1965, and also refused to work on 22nd April 1965. In the second charge-sheet there are two charges, viz., (1) neglect of duty and slowing down of work, and (2) wilful insubordination or disobedience to a lawful and reasonable order of the superior, inasmuch as on 17th May 1965 Shri Nag had refused to work on machine of operation I on the pretext of defective eye-glasses without producing necessary medical certificate in support. Enquiries on the two charge-sheets were held by a Committee consisting of Shri S. R. Ghosh, Assistant Superintendent, Energy and Economy Department, Chairman, and two members, namely, Shri P. S. P. Rao, Assistant General Foreman, and Shri C. M. Krishna, Personnel Officer (who has deposed in this Tribunal as O. P. W. 3). The Chairman and the other member were not examined in this Tribunal. The Enquiry Committee exonerated Shri Nag in respect of the first charge in the charge-sheet, Ext. F, dated 18th May 1965. So I shall not enter into that portion of the charge-sheet. Shri Nag was, however, found guilty of the charge levelled against him in the charge-sheet, Ext. F, dated 22nd April 1965 and the second charge of charge-sheet, Ext. F-1, dated 18th May 1965.

Regarding the charge in the charge-sheet, dated 22nd April 1965, the allegation is that Shri Nag refused to perform his work on 19th April 1965 and 22nd April 1965. Shri Nag denied this charge both in the enquiry proceeding and in this Tribunal. It is the case of Shri Nag in his pleadings and in evidence that he was promoted as a skilled worker, grade II and posted to first operation on 19th April 1965 against the vacancy of a skilled worker, grade I, on acting basis. This contention of Shri Nag has not been denied by the employer in the written statement or in evidence. It appears that Shri Nag had some grievance on the ground that he was not given the original position or pay of the post after having been transferred to the operation department on 15th July 1964, as categorically stated in paragraph 4 of the written statement. But the management did not specifically deny the same in the written statement. It is simply stated that the allegations made by Shri Nag in paragraphs 2, 3 and 4 of his written statement are matters of record.

It appears that Shri Nag made a written representation to the Superintendent, Wheel and Axle Plant, on 17th April 1965 stating that he was glad to receive his promotion order in the first operation, and he was ready to work in the first operation provided the order of the General Manager in his No. OP-RM/5(23)/ XIV/53, dated 22nd/26th April 1963, was implemented, and if that order was not considered, then the matter should await till the decision of the Assistant Labour Commissioner is obtained (vide Ext. D). It is obvious from this letter, Ext. D, that Shri Nag had some apprehension about the security of his position, and he wanted an assurance from the management in that respect before taking up the work in the first operation. Shri Nag has produced an order passed by the Chief Superintendent of the Rolling Mills, dated 22nd/26th August 1963 (Ext. 2), showing that the General Manager had accepted the appeal preferred by Shri Nag, and the latter was restored to his original post of skilled worker, grade III. In his evidence before this Tribunal Shri Nag says that as there was no security of permanency in grade I post while working in acting capacity, and as there was every likelihood of being sent back to grade II or grade III post, that is why he made the representation, Ext. D, dated 17th April 1965, to the Superintendent, Wheel and Axle Plant. It appears from the proceedings of the enquiry, Ext. H, and the report of the enquiry officer, Ext. I, that this petition of Shri Nag, dated 17th April 1965, was placed before the Committee, and the Committee found that he had some dispute with the department regarding his employment. But no evidence was adduced by the management before the Enquiry Committee or before this Tribunal to show whether any action was taken by the management on the representation made by Shri Nag in the petition, dated 17th April 1965 (Ext. D), and if anything was communicated to him by the management. Under the circumstances there was reason for apprehension on the part of Shri Nag that he might not get his original position if he would go on working in operation I.

As regards refusal of work by Shri Nag on 19th April 1965 and 22nd April 1965, it is the evidence of Shri D. Mukherji, Foreman, before the Enquiry Committee that Shri Nag did not refuse to do work to him personally. He said that the Charge-hand had reported to him about this alleged refusal. But that person was neither examined before the Enquiry Committee, nor before this Tribunal. He would have been the best witness to prove the alleged charge, and there is nothing to show why the management withhold him from giving evidence. The Enquiry Committee should have insisted on production of this Charge-hand before it as he could throw light on the facts which actually took place on those two days.

Regarding the charge of refusal to do work on 17th May 1965 as alleged in the second charge-sheet, dated 18th May 1965, it is the case of Shri Nag that he had his right lens of spectacles broken and it was difficult for him to work on a machine of high precision at night time for defective vision. It appears that on 6th May 1965 he made an application to the Superintendent, Wheel and Axle Plant, through proper channel, stating the fact of his glasses being broken, and praying for earned leave for 8 days, as it was difficult for him to continue his duty of operation of the machine (Ext.3). It appears that the foreman Shri D. Mukherji did not send the application to the Superintendent, and he gave a note in it stating "cannot be spared" (Ext. 3 a). Of course, it is said by Shri Mukherji that as a foreman he had the discretion to forward the leave application to the superior officer or deal it himself. But this petition shows that Shri Nag had the difficulty to work in the machine for defective eye sight as the lens of his spectacles was broken. It appears that on the night of 17th May 1965 Shri Nag again submitted to Shri Mukherjee that it was not possible for him to work with broken spectacles in a machine of high precision, and he wanted some other job instead. In evidence Shri Nag says that he requested the foreman to give him work of skilled worker, grade II, for that night only, but Shri Mukherji refused and insisted on his working with a machine of high precision. The admitted letter, Ext. 4, dated 17th May 1965 (10-15 p.m.), written by Shri D. Mukherji, shows that Shri Nag was unwilling to operate the machine of operation I in the C shift on the plea of eye trouble, and wanted some other work which Shri Mukherji declined to give him without the written permission of the Departmental Head. Shri Mukherji did not mark Shri Nag present, and the latter had to lose his wages for the day though he had actually attended the factory and wanted to work. These facts and circumstances go to show that there were sufficient grounds which rendered Shri Nag unable to work on the machine of operation I on that night.

It appears from the proceedings and report of the Enquiry Committee that all these aspects were not considered by the Committee and the finding of the Committee was rather biased.

The admitted letter, Ext. 1, dated 2nd April 1962, shows that Shri Probhat Nag was appointed by the then Chief Superintendent of the Rolling Mills of the Durgapur Steel Plant. The dismissal order was, however, passed by the Superintendent, Wheel and Axle Plant (Ext. J). It has been specifically stated in paragraph 31(f) of the Standing Orders, Ext. K, that no order of removal or dismissal from service shall be made by an authority lower than the appointing authority of the employee. Paragraph 34 of the same Standing Orders lays down that the authorities competent to impose various penalties mentioned in Standing Order 30 as well as the appellate authorities shall be notified by the management from time to time. The management has produced a notification, dated 7th January 1965 (Ext. L), showing the authorities competent to impose the penalties, and this includes the Heads of Departments. The Office Order, dated 23rd November 1962 (Ext. N), has been produced to show that the Heads of Departments include Superintendents. It seems therefore that Shri S. S. Kalsi, Superintendent, Wheel and Axle Plant, was no doubt authorised to pass dismissal order. But the question would be whether Shri Kalsi was lower in rank than the Chief Superintendent of the Rolling Mills Department who had actually appointed Shri Nag. In his evidence the Personnel Officer, Shri Krishna, O.P.W.3, states that at the time of appointment of Shri Nag the Chief Superintendent of the Rolling Mills which had many units under it, was the Head of the Department and appointing authority. He further says that the Superintendent of the Wheel and Axle Plant Department was the Head of that particular department which is a part of the Rolling Mills. This witness wanted to say that this post of Chief Superintendent was subsequently abolished, but he could not give the time when that post was abolished. In his cross-examination he says that "the post of Chief Superintendent has again been created though the designation has been changed to "Chief Superintendent for Steel Making and Finishing Department", and the present incumbent of this post is Shri P. K. Paul. O.P.W.3 could not deny the suggestion that this Chief Superintendent Shri P. K. Paul was holding office at the time of the enquiry proceedings and dismissal of Shri Nag. He simply expressed his forgetfulness on this point. He was definitely asked if the post of the Chief Superintendent is superior to the post of the Superintendent, Wheel and Axle Plant Department, and he categorically replied "the grade of the Chief Superintendent is higher than that of the Superintendent. The Chief Superintendent controls many Superintendents. As the grade is higher of course, post of the Chief Superintendent is higher than that of the Superintendent".

It is, therefore, admitted that as the appointment of Shri Provat Nag was made by the Chief Superintendent, the dismissal made by the Superintendent of the Wheel and Axle Plant was against the provisions of the Standing Orders and, as such, cannot stand.

I, accordingly, find that the dismissal of Shri Provat Nag is not justified, and he should be reinstated to the post which he was holding at the time of dismissal within a month from the date of publication of this award in the "Calcuta Gazette", and he should also be paid all his arrear wages and other dues.

Government of West Bengal, in the Labour Department, by its order No. 3257-I.R./IR/11L-89/67, dated Calcutta, the 15th July 1967, referred an industrial dispute between Messrs. The Pilot Pen Co. Issue

Whether the closure of the Calcutta Office at 9 Jawaharlal Nehru Road, Calcutta-13 and the ink factory at 1/1 Umakanto Sen Lane, Calcutta-30, is real and bona fide ? Whether the closure is beyond the control of the management and in the circumstances, justified? To what relief, if any, the workmen are entitled?

After the reference was received in this Tribunal both parties entered appearances and filed a joint petition of compromise inter-alia stating that the parties have amicably settled the dispute out of Court and that the dispute should be treated as withdrawn and prayed for passing a 'no dispute' award. The petition of compromise was signed by Shri S. Selvaraj, Director, on behalf of the company and Shri S. K. Chatterjee, Secretary, Pilot Pen Company Employees' Union, on behalf of the workmen. The President of the Union and the Manager of the company also signed as witnesses. The terms of compromise appear to be fair and reasonable and there is no reason why it should not be accepted. The Tribunal accordingly accepts the petition of compromise and passes a 'no dispute' award in the instant case.

Bonus payable before the Puja, 1964.

On receipt of the Order of Reference unsual notices were served on the parties. They appeared and filed their written statements. The direction was duly complied with and 26th June 1967 was fixed for hearing of the case. On that date Company's Representative attended the Tribunal with his witness but neither the Union's Representative Shri S. R. Ghosh nor any witness on behalf of the Union was present. No step on behalf of the Union was also taken. Considering, however, the importance of the issue under Reference, the case was *suo moto* adjourned by the Tribunal to this date. Again, to day the Company was present with its witness and representative but as on the previous date Shri S. R. Ghosh, the Union's Rrepresentative, wasabsent. Somebody, on behalf of the Union informed me that he was in the Employees' State Insurance Court. He was sent for but did not appear though I waited for him till 12-45 p.m. For this conduct of Shri S. R. Ghosh this day as also for his non-appearance on the previous date and from Union's not taking any step today as also on the previous date, for conduct of the case on its behalf, I am satisfied that the Union is no longer willing to press the issue under reference. Accordingly, a 'no-dispute' award on the footing that the dispute is no longer subsisting is passed.

For the Union: Shri Ram Sen.

The present proceedings arise out of the Government of West Bengal, Labour Department, order No. 22-IR/IR/11L-94/63, dated 3rd January 1967. This is a reference under section 10 of the Industrial Disputes Act. The parties are Messrs. British Paints (India) Ltd., 32 Chowringhee Road, Calcutta-16 (hereinafter described as the company), and their workmen represented by the British Paints (India) Ltd. Employees' Union, 10/2 Swarnamoyee Road, P.O. Botanic Garden, Howrah (hereinafter referred to as the union). The issue for adjudication runs as follows:

Issue

Whether the management is justified in retiring the following workmen? To what relief, if any, are they entitled?

1. Shri Amarendra Nath Banerjee,
2. Shri Anil Kumar Mukherjee,
3. Shri Joymongal Singh,

4. Shri Madan Mohan Baidya,
5. Shri Sailendra Nath Sen,
6. Shri Jiban Kumar Das,
7. Shri Panchu Sardar,
8. Shri Sahadeo Bhor and
9. Shri S. K. Hamid.

In short the case of the union is that the Seventh Industrial Tribunal, West Bengal, by its award, dated 5th March 1964, published in the "Calcutta Gazette" dated 2nd April 1964, increased the age of retirement of the workmen of the Head Office as well as the factory of the company and fixed the same at 60 years. The company preferred an appeal against the said award to the Supreme Court and the workmen also filed a cross-appeal. The said appeals were consolidated and heard together by the Hon'ble Supreme Court and a judgement was passed on 4th November 1965 amending the award of the Industrial Tribunal. The Industrial Tribunal held that the members of the subordinate staff and clerical staff would retire at 58 years and that the factory workmen were to retire at the age of 55. The Supreme Court, however, modified the award by holding that the age of retirement for the workmen of the Head Office as well as the factory of the company should be fixed at the age of 60 years. It has been alleged by the union that in spite of the judgment of the Supreme Court, the company got the workmen mentioned in the order of reference retired before they completed 60 years The allegation of the union is that the workmen mentioned in serial Nos. 1,2,3,4,5,8 and and 9 had to retire on 1st January 1965 and the other two mentioned in the issue had to retire on 1st July 1974 according to the decision of the company. The union says that the decision of the company to get those workmen retired before the age of retirement was illegal and unjustified. The union has prayed for compensation and/or reinstatement in suitable cases for premature retirement of the workmen in question.

In short, the company's case is that its action in retiring the nine employees was just, legal and proper. According to the company the employees concerned were retired according to the then existing retirement age, that is to say, according to the award of the Industrial Tribunal.

This matter came up for hearing on 5th July 1967 in presence of Shri Ram Sen, representing the union and Shri D. Basu Thakur appearing on behalf of the company. Both the parties did not propose to adduce any oral evidence. The union produced some documents as evidence which were accepted by Shri Basu Thakur.

At the time of argument two contentions were raised by Shri Sen on the side of the union. The first contention was that in view of the stay order of the Hon'ble Supreme Court in respect of the operation of the award passed by the Seventh Industrial Tribunal the company acted illegally by retiring the workmen in question. The second point urged was that the company could not retire the workmen before the age of 60 years in view of the ultimate decision of the Supreme Court fixing the age of retirement at 60 years.

With regard to the first point it is to be noted that the date of the award of the Seventh Industrial Tribunal is 5th March 1964. This was published in the "Calcutta Gazette", dated 2nd April 1964. The company obtained a special leave for appeal from the Supreme Court on 5th May 1964. That very day the Supreme Court stayed the operation of the award of the Seventh Industrial Tribunal pending the hearing and final disposal of the notice of motion. This would be evident from the copy of the order appearing at page 29 of the Paper Book, Ext. 3. On 19th May 1964 the Supreme Court made the interim order of stay, dated 5th May 1964, absolute, and passed an order that pending the hearing and final disposal of the appeal, the operation of the award, dated 5th March 1964 of the Seventh Industrial Tribunal, West Bengal, should be stayed, and that the order be punctually observed and carried into execution by all concerned. The copy of the order will appear at page 30A of Ext.3. There is no dispute before me from the side of the company that the workmen mentioned in the order of reference were retired by the company when the operation of the award of the Seventh Industrial Tribunal remain stayed. It is clear therefore that the company acted illegally by retiring the workmen in spite of the stay order passed by the Supreme Court. The contention of the company that the workmen were retired according to the award of the Seventh Industrial Tribunal clearly fails. Shri Basu Thakur for the company after perusing the order of the Supreme Court submitted before me that he could not argue in support of the company's contention on the face of the stay order of the Supreme Court. He clearly admitted that in the circumstances of the case and in view of the stay order the action of the company in retiring the workmen was not proper.

With regard to the second point urged from the side of the union, I must say that the argument has got substance. Ext. 1 is the copy of the award passed by by the Seventh Industrial Tribunal. The first issue to be decided by the Seventh Industrial Tribunal was as follows:

> "What shall be the age of retirement of workmen at the Head Office and the Factory of the Company?"

The learned Tribunal fixed the age of retirement and his decision was that the award in respect of the first issue would come into force from the date of the award. The date of the award, as I have already stated, was 5th March 1964. The Supreme Court modified the award in respect of Issue No. 1 by fixing the age of 60 years as the age of retirement. But nowhere in the judgment did the Supreme Court modify the date mentioned by the Tribunal for effecting the decision under Issue No.1. This clearly shows that the decision of the Seventh Industrial Tribunal in respect of Issue No.1 stood modified as mentioned by the Highest Tribunal and that the modified award would take effect as already mentioned by the Industrial Tribunal, that is to say, from the date of the award passed by the Seventh Industrial Tribunal. To be clear the judgment of the Supreme Court modifying the decision of the Seventh Industrial Tribunal in respect of Issue No.1 was to take effect from 5th March 1964. Shri Basu Thakur made an attempt to argue that the judgment of the Supreme Court was not meant for the workmen who were compelled to retire as mentioned in the order of reference because it has been stated in the last paragraph of the Supreme Court judgment as follows:

> "We also partly allow the appeal of the workmen and fix the retirement age for all workmen—existing or future—clerical, subordinate and factory workmen at 60 years".

Shri Basu Thakur wanted to impress upon me that the words "existing or future" meant those workmen who were in service at the time of passing of the Supreme Court judgment on 4th November 1965 and those to be recruited in future. From the reading of the award of the Seventh Industrial Tribunal and also the judgment of the Supreme Court it is quite clear to me that the words 'existing or future' referred to all the workmen who were in the employ of the company on the 5th of March 1964, those workmen who were at any time in the employ of the company from 5th March 1964 to 4th November 1965 and also those who were to be recruited after 4th November 1965. I do not find any grain of substance in the reasoning of Shri Basu Thakur. Had there been no order of stay of operation of the award of the Seventh Industrial Tribunal passed by the Supreme Court, I would have found that the workmen mentioned in the order of reference were compelled to retire illegally and without justification. However, in the facts and circumstances of this case, I hold that the management of the company was not justified in retiring the workmen mentioned in the order of reference. The issue is therefore decided in favour of the workmen and against the company.

The question of relief now arises for decision. According to the union except the workmen mentioned in serial Nos. 8 and 9 in the order of reference all other workmen would have retired by now even according to the decision of the Supreme Court. They cannot therefore be reinstated in their former service. I therefore direct that the workmen, viz., Amarendra Nath Banerjee, Anil Kumar Mukherjee, Joymongal Singh, Madan Mohan Baidya, Sailendra Nath Sen, Jiban Kumar Das, and Panchu Sardar, shall be paid at once all their back wages and other monetary reliefs to which they would have been entitled in due and normal course had they been in service from the date of their forced retirement till the due date of their retirement at the age of 60 years according to the decision of the Supreme Court. By "monetary reliefs" I mean all pecuniary benefits including those of Provident Fund and Gratuity amongst others. Sahadeo Bhor and S.K.Hamid will will get different relief. They have got age still to serve the company. I find that the retirement of Sahadeo Bhor and S.K Hamid were clearly illegal and void and I declare that they are deemed to be in service of the company. They shall within one month of the publication of this award in the "Calcutta Gazette" offer themselves to join their duties and the company shall allow them to work. For the of non-employment they shall get all back wages which they are entitled to in normal and due course along with all other monetary benefits, and the company shall pay the same within a month from the publication of this award in the "Calcutta Gazette".

No. 3464-I.R./IR/10L-99/66.—24th July 1967.—Whereas under the Government of West Bengal, Labour Department, order No. 2614-I.R./IR/10L-99/66, dated the 1st July 1966, the industrial dispute between Messrs. Steam and Mining Equipment (I) Pvt. Ltd., 207/B Park Street, Calcutta-17 and their workmen represented by I.C.L. & S.M.E. Employees' Union, 249 Bepin Behari Ganguly Street, Calcutta-12, regarding the issues mentioned in the said order, being matters specified in the Second and Third Schedules to the Industrial Disputes Act, 1947 (XIV of 1947), was referred to the Fourth Industrial Tribunal for adjudication;

And whereas during the pendency of proceedings before the said Industrial Tribunal Shri Gurucharan Das, a workman of the said Company, made a complaint in writing to the said Industrial Tribunal against the said Company alleging that the said company had discharged the said workman concerned in such dispute;

And whereas in exercise of the powers conferred by section 33A of the Industrial Disputes Act, 1947 (XIV of 1947), the said Industrial Tribunal has adjudicated upon the said complaint and submitted its award to the State Government;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of a complaint under section 33A of the Industrial Disputes Act by Shri Guru Charan Das of 36/D Sridhar Roy Road, Calcutta-9, against his employer Messrs. Steam & Mining Equipment (India) Private Ltd., 207/B Park Street, Calcutta. (G. O. No. 2614-I.R., dated 1st July 1967.) (190/66, u/s 33A.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL, CALCUTTA.

Present,

Shri R. BHATTACHARYA, M.A., LL.B., Judge, Fourth Industrial Tribunal.

For the workman : None.

For the Company : Shri J. N. Chatterjee, Advocate.

This case has arisen from an application under section 33A of the Industrial Disputes Act filed by Gurucharan Das, the petitioner, against his employers Messrs. Steam & Mining Equipment (India) Private Ltd., 207/B Park Street, Calcutta (hereinafter described as the company). It has been alleged by the petitioner in his written statement that a charge-sheet was served on him by the company on some false pleas and charges for which the petitioner was proceeded against in the Criminal Court. Ultimately, the Criminal Court discharged him. The company wanted to start an enquiry against him after the discharge in the police case. Several representations were made by the petitioner for allowing him to work but the company paid no head to that prayer. As a result, the petitioner was thrown into unemployment, and in the facts and circumstances it will be evident that the petitioner was dismissed by the company. It has been alleged that it is a case of victimisation.

In reply, the company has filed a written statement denying the material allegations of the petitioner. It has been stated by the company that for some missing goods of the company a police case was started against Gurucharan Das on the ground of theft and a charge-sheet was also issued against him. There was an arrangement for domestic enquiry but the petitioner did not appear at the enquiry. He has been remaining absent. In fact, uptil now Gurucharan Das neither has been discharged nor dismissed by the Company. The plea of the Company is that the present application under section 33A of the Industrial Disputes Act is not maintainable in law.

The present case is being heard ex-parte as the petitioner Gurucharan Das has not appeared to contest today and as I am not satisfied that he has been prevented from appearing before this Tribunal by sufficient reason. The company examines the Manager, Shipping and General. From his evidence we get that the petitioner was served with a charge-sheet. The copy of the charge-sheet has been marked Ext. A. The evidence does not show that the petitioner has been suspended pending enquiry. We also get from P.W. 1 that an enquiry was arranged over the charge-sheet issued to the petitioner but Gurucharan Das has not been attending the same. I am also satisfied that the company has not as yet taken any final step against Gurucharan Das over the charge-sheet. The evidence further shows that Gurucharan Das, the petitioner, has not yet been discharged or dismissed. He is still in service. This is corroborated by the Attendaance Registers exhibited in this case. The eivdence adduced in this case clearly shows that the allegation made by the petitioner that he has been dismissed or removed from service is not true. There has been no violation of section 33A of the Industrial Disputes Act as yet. In the circumstances the application of Gurucharan Das under section 33A of the Industrial Disputes Act is misconceived and not maintainable in law. The case of the petitioner is not proved.

In the result, I hold that the application of Gurucharan Das is not maintainable and he is not entitled to any relief.

STATEMENT OF OBJECTS AND REASONS

The object of this Bill is to give effect to the financial proposals of the Central Government for the financial year 1967-68 and to provide for certain connected matters. Opportunity has been taken to simplify and rationalise the provisions of the Income-tax Act and other enactments with respect to direct taxes. The notes on clauses explain the various provisions contained in the Bill.

MORARJI DESAI.

New Delhi;
The 25th May, 1967.

PRESIDENT'S RECOMMENDATION UNDER ARTICLES 117 AND 274 OF THE CONSTITUTION OF INDIA

[Copy of letter No. F.4(2)-B/67, dated the 25th May, 1967 from Shri Morarji Desai, Deputy Prime Minister and Minister of Finance to the Secretary, Lok Sabha.]

The President having been informed of the subject matter of the proposed Bill, recommends under article 117(1) and (3) read with article 274(1) of the Constitution of India, the introduction of the Finance (No. 2) Bill, 1967 to the Lok Sabha and also recommends to the Lok Sabha the consideration of the Bill.

2. The Bill will be introduced in the Lok Sabha immediately after the presentation of the Budget on the 25th May, 1967.

Notes on clauses

Clause 2 prescribes the rates at which income-tax (including surcharges, where applicable) is to be charged on income liable to tax for the current assessment year 1967-68. It also prescribes the rates at which income-tax is to be deducted at source during the current financial year on incomes liable to such deduction under the Income-tax Act, and the rates at which 'advance tax' is to be computed in relation to incomes on which such tax is to be paid during the current financial year.

Rates of income-tax for the assessment year 1967-68.—In respect of incomes of all categories of assessees (corporate as well as non-corporate) liable to tax for the current assessment year 1967-68, the rates of income-tax in clause 2 read with Part I of the First Schedule to the Bill are the same as provided in the Finance Act, 1966, subject to certain modifications. The main modification in the rates of income-tax in the Finance Act, 1966, in relation to the current assessment year 1967-68, is in respect of the rebates of income-tax granted with reference to exports. In consequence of the devaluation of the rupee with effect from the 6th June, 1966, the Bill provides that these rebates would be available only with reference to exports or sales to exporters made before the date of the devaluation, and not in relation to exports or sales to exporters made during the post-devaluation period.

The Finance Acts of earlier years, up to and inclusive of the Finance Act of 1966, provided for the levy of tax on 'Salary' incomes at the rates prescribed by the Finance Act of the preceding assessment year. Such provision was made to secure that in cases where the assessee had only salary income and had paid income-tax thereon by deduction at source during the relevant financial year at the current rates of income-tax, no further demand of tax or a refund of tax might be necessitated on applying the higher or lower rates of tax prescribed by the Finance Act of the year in which such income fell due for assessment. The Bill provides for the levy of tax on the salary as well as non-salary income liable to tax for the assessment year 1967-68, at the same rates of tax.

Part II of the First Schedule prescribes the rates for deduction of tax at source during the financial year 1967-68 from interest on securities, other interest, dividends, fees or other remuneration for professional services, brokerage and commission, etc. In the case of brokerage and commission payments to residents, the tax is to be deducted at source at the rate of 15 per cent. In respect of dividends paid to a foreign company by a closely-held Indian company mainly engaged in a priority industry, the rate of tax to be deducted at source is 14 per cent. of the dividend, and in respect of dividends paid to a foreign company by any other domestic company, the rate is 28 per cent. These rates represent the effective rates of tax, under the rate schedule in Part III of the First Schedule, on such intercorporate dividends after allowance of the deduction under the new section 80M in Chapter VIA of the Income-tax Act, as sought to be replaced with effect from 1st April, 1968 by clause 33 of the Bill read with item 13 of the Third Schedule. In respect of all other payments, including payments to residents by way of interest other than interest on securities, or fees and other remuneration for professional services (which together with brokerage and commission payments, are proposed to be brought within the scope of the provisions for deduction of tax at source by section 194A proposed to be inserted in the Income-tax Act by clause 30 of the Bill), the rates for deduction of tax at source in the Bill are the same as in Part II of the First Schedule to the Finance Act, 1966.

As a step towards rationalising our tax system, the principle followed in the Bill in regard to the rates of taxes is that any changes in the rates should apply prospectively only to current incomes which are liable to tax in the succeeding assessment year, and not retrospectively to incomes which arose in the past year. Part III of the First Schedule prescribes the rates for deduction of tax at source from 'Salaries' and for the computation of 'advance tax' payable during the current financial year. These rates are basically the same as are applicable for the levy of tax on income liable to tax for the assessment year 1967-68, subject to the under-mentioned provisions for granting certain reliefs:

(a) A resident individual (whether unmarried or married) whose total income does not exceed Rs. 10,000 and who incurs any expenditure towards maintenance of one or more of his parents or grand-parents mainly dependent on him will be entitled to a fixed allowance of Rs. 400 for the year; tax relief will be calculated on this amount at the rate of 5 per cent. applicable to the initial slab of income.

(b) At present, unearned incomes (exclusive of interest on securities and dividends on units of the Unit Trust of India, in the case of individuals and Hindu undivided families) up to Rs. 15,000 do not bear the unearned income surcharge. The Bill proposes to increase the limit up to which such unearned incomes do not bear surcharge from Rs. 15,000 to Rs. 30,000. Unearned income in the slab of Rs. 30,001 to Rs. 50,000 and in the slab over Rs. 50,000 will continue to bear surcharge at the existing rate of 20 per cent. and 25 per cent., respectively of the income-tax thereon.

(c) At present, widely-held domestic companies whose total income does not exceed Rs. 25,000 are chargeable to tax at the concessional rate of 45 per cent. of their total income as against 55 per cent. in the case of widely-held domestic companies whose total income exceeds Rs. 25,000. The Bill proposes to extend the concessional rate of 45 per cent. to such companies whose total income does not exceed Rs. 50,000.

Clause 3 prescribes the rates at which annuity deposits in respect of incomes liable to tax for the current assessment year 1967-68 and also in relation to current incomes liable to tax for the succeeding assessment year 1968-69 will be required to be made by individuals and Hindu undivided families, unregistered firms and associations of persons under the provisions of Chapter XXIIA of the Income-tax Act. These rates are the same as those under the Finance Act, 1966.

Clause 4 seeks to make certain amendments to section 2 of the Income-tax Act.

Sub-clause (a) seeks to insert a new clause (1A) in section 2 of the Income-tax Act. The new clause defines the term 'amalgamation'. The proposed definition is broadly on the lines of the existing definition of the term 'amalgamation' contained in the Explanation to section 33(3) of the Income-tax Act, with certain modifications. The proposed definition makes it clear that the term 'amalgamation' means the merger of one or more companies with an existing company as well as the merger of two or more companies to form a new company. One of the conditions laid down in the existing definition, in the Explanation to section 33(3) is that shareholders holding not less than nine-tenths in value of the shares in the amalgamating company immediately before the amalgamation should become shareholders of the amalgamated company by virtue of the amalgamation. This condition had the effect of excluding from the scope of the definition a case of amalgamation where a company A holds more than 10 per cent. of the shares in another company B, and company B amalgamates with company A. The proposed new definition, makes it clear that in computing the 9/10ths in value of the shares for the purposes of this provision, shares held immediately before the amalgamation by, or by a nominee for, the amalgamated company or its subsidiary will be excluded. Consequently, the specific provision in the existing definition in the Explanation to section 33(3) that amalgamation would include the merger of a subsidiary company in the holding company where the whole of the share capital of the subsidiary company is held by the holding company or its nominee, which has become superfluous, has been omitted in the new definition.

Sub-clause (b) seeks to insert a new clause (37A) in section 2 of the Income-tax Act. Clause (37A) defines the expression 'rate or rates in force' and 'rates in force' in relation to an assessment year or financial year for the purposes of calculating or computing income-tax to be charged, or deducted at source or paid as 'advance tax', under the different provisions of the Income-tax Act, to mean the rate or rates of income-tax specified in this behalf in the Finance Act of the relevant year.

Sub-clause (c) seeks to amend clause (42A) of section 2 of the Income-tax Act. The amendment proposed to be made by sub-clause (c)(i) is consequential to the amendment of section 49 by clause 20 of the Bill.

Sub-clause (c)(ii) seeks to insert a new sub-clause (c) in clause (42A) of section 2. The effect of this new sub-clause will be that in determining the period for which the assessee has held a capital asset being a share or shares in an Indian company which became his property, in a scheme of amalgamation, the period for which the share or shares in the amalgamating company were held by him will also be included.

Clause 5 seeks to amend clause (27) of section 10 of the Income-tax Act. The effect of this amendment will be that the exemption from tax in respect of income derived from a business of live-stock breeding or poultry or diary farming, which was hitherto available in relation to the assessment years 1965-66, 1966-67 and 1967-68, will now continue on an indefinite basis.

Clause 6 seeks to amend sub-section (2) of section 23 of the Income-tax Act. The effect of this amendment will be that the annual value of a property which is in the occupation of the owner for the purposes of his own residence will be limited to ten per cent. of the assessee's other income (i.e., all his income other than the income attributable to such self-occupied property) as computed before allowing the deductions under Chapter VIA of the Income-tax Act and the deduction for annuity deposit.

Clause 8 seeks to amend clause (2) of the Explanation to clause (iii) of sub-section (1) of section 32 of the Income-tax Act. The effect of this amendment will be that the transfer, in a scheme of amalgamation of any capital asset by the amalgamating company to the amalgamated company which is an Indian company, will not be regarded as a sale for the purpose of section 32(1)(iii) relating to the grant of a 'terminal allowance', or the provisions of sub-section (2) or sub-section (3) of section 41 of the Income-tax Act relating to the levy of a 'balancing charge'.

Clause 9 seeks to substitute sub-section (3) of section 33 of the Income-tax Act by a new sub-section. The substituted sub-section is substantially the same as the existing sub-section, except for a few verbal and drafting changes which are consequential to the insertion of a new definition of 'amalgamation' in section 2 of the Income-tax Act by clause 4(a) of the Bill.

Clause 10 seeks to substitute sub-section (5) of section 33A of the Income-tax Act by a new sub-section. The substituted sub-section makes only a few verbal and drafting changes in the existing provisions of sub-section (5), which are consequential to the insertion of a new definition of 'amalgamation' in section 2 of the Income-tax Act by clause 4(a) of the Bill.

Clause 11 seeks to insert a new section 33B in the Income-tax Act. The effect of the proposed new section will be that where the business of any industrial undertaking (which manufactures or produces articles) carried on by the assessee in India is discontinued in any previous year because of extensive damage to or destruction of, any building, machinery, plant or furniture owned by the assessee and used for the purposes of such business, as a direct result of any of the specified circumstances, and within a period of three years from the end of that previous year the business is re-established, reconstructed or revived by the assessee, he shall become eligible for a deduction by way of 'rehabilitation allowance' of an amount equal to sixty per cent. of the amount of the 'terminal allowance' due to him under section 32(1)(iii) of the Income-tax Act, in respect of the building, machinery, plant or furniture which is so damaged or destroyed The deduction will be allowed in computing his profits and gains of the previous year in which the business is re-established, reconstructed or revived. This amendment is consequential to the amendment proposed to be made in section 47 of the Income-tax Act by clause 19 of the Bill. The effect of this amendment will be that where a capital asset is transferred by a company to another company (which is an Indian company) in a scheme of amalgamation, then, in determining whether the aggregate of all deductions in respect of depreciation exceeds the actual cost of the capital asset to the assessee, depreciation allowed in respect of the transferred asset to the amalgamating company will also be taken into account. /

Clause 13 seeks to insert a new sub-section (5) in section 35 of the Income-tax Act. The effect of this amendment will be that where, in a scheme of amalgamation, the amalgamating company sells or otherwise transfers to the amalgamated company (which is an Indian company) any asset representing expenditure of a capital nature on scientific research, the amalgamating company will not be allowed any deduction under section 35(2)(ii) or 35(2)(iii) of the Income-tax Act on account of any deficiency arising on the transfer. The provisions of section 35 will, however, continue to apply to the amalgamated company as they would have applied to the amalgamating company if the latter had not so sold or otherwise transferred the asset.

Clause 14 seeks to insert a new sub-section (6) in section 35A of the Income-tax Act. The effect of this amendment will be that where, in a scheme of amalgamation, patent rights or copyrights referred to in section 35A are sold or otherwise transferred by the amalgamating company to the amalgamated company which is an Indian company, the provisions of section 35A(3) relating to the grant of 'terminal allowance' and the provisions of section 35A(4) relating to the 'balancing charge' will not apply to the amalgamating company. The provisions of the said section 35A will, however, continue to apply to the amalgamated company as they would have applied to the amalgamating company if the latter had not sold or otherwise transferred the rights.

Clause 15 seeks to amend clause (ix) of sub-section (1) of section 36 of the Income-tax Act. This amendment is consequential to the amendment proposed to be made in section 35 of the Income-tax Act by clause 13 of the Bill.

Clause 16 seeks to amend section 43 of the Income-tax Act.

Sub-clause (i) seeks to insert a new Explanation 7 in clause (1) of section 43. The effect of this Explanation will be that where, in a scheme of amalgamation, any capital asset is transferred by the amalgamating company to the amalgamated company which is an Indian company, the 'actual cost' of the transferred capital asset to the amalgamated company will be taken at the same amount as would have been taken in the case of the amalgamating company had it continued to hold the capital asset for the purposes of its business.

Sub-clause (ii) seeks to insert a new Explanation 2A in clause (6) of section 43. The effect of this Explanation will be that where, in a scheme of amalgamation, any capital asset is transferred by the amalgamating company to the amalgamated company which is an Indian company, the 'written down value' of the transferred capital asset to the amalgamated company will be taken at the same amount as would have been taken in the case of the amalgamating company had it continued to hold the asset for the purposes of its own business.

Clause 17 seeks to insert a new section 43A in the Income-tax Act. The proposed section 43A, in substance, secures that where an assessee had acquired any capital asset from a country outside India for the purposes of his business or profession on deferred payment terms or against a foreign loan, before the date of devaluation of the rupee, the additional rupee liability incurred by him in meeting the instalments of the cost of the asset or of the foreign loan, as the case may be, falling due for payment after the date of devaluation, will be allowed to be added to the original actual cost of the asset for the purpose of calculating the allowance on account of depreciation in computing the profits for the assessment year 1967-68 and subsequent assessment years. Similar increase in the original actual cost will be allowed to be made in respect of capital assets acquired by the assessee to be used in scientific research related to the class of business carried on by him or patent rights or copyrights acquired from abroad or any capital asset acquired by a company for the purpose of promoting family planning amongst its employees. Further, in computing the capital gains arising to the assessee on the sale or transfer of a capital asset acquired by him from abroad on deferred payment terms or against a foreign loan, the additional rupee liability incurred by him in repaying the instalments of the cost or the foreign loan, as the case may be, after the date of devaluation of the rupee, will be added to the original actual cost of the asset. The proposed section also secures that where there is a decrease in the rupee liability of the assessee in respect of assets acquired by him from abroad, due to a change in the exchange value of the rupee, the original actual cost of the asset will be correspondingly reduced.

The additional rupee liability incurred on imported capital assets or, as the case may be, any decrease in such liability in the circumstances stated in the earlier paragraph will not, however, be taken into account in computing the actual cost of the asset for the purpose of deduction on account of development rebate.

Clause 19 seeks to amend section 47 of the Income-tax Act by the insertion of two new clauses, namely, clause (vi) and clause (vii). The effect of the new clause (vi) will be that no capital gain or loss will be computed with reference to the transfer of a capital asset, in a scheme of amalgamation, by the amalgamating company to the amalgamated company which is an Indian company. Clause (vii) similarly seeks to secure that no capital gain or loss will be computed with reference to the transfer by a shareholder, in a scheme of amalgamation, of a share or shares held by him in the amalgamating company, in consideration of the allotment to him of any share or shares in the amalgamated company which is an Indian company.

Clause 20 seeks to amend section 49 of the Income-tax Act. These amendments are consequential to the amendment proposed to be made in section 47 of the Income-tax Act by clause 19 of the Bill. The amendment made by sub-clause (i)(a) seeks to secure that where, in a scheme of amalgamation, any capital asset is transferred by the amalgamating company to the amalgamated company which is an Indian company, the cost of acquisition to the amalgamated company of the assets so transferred shall be deemed to be the cost for which these assets were acquired by the amalgamating company.

The amendment made by sub-clause (i)(b) is of a consequential nature.

The amendment made by sub-clause (ii) seeks to secure that where the capital asset, being a share or shares in an amalgamated company which is an Indian company, became the property of the assessee in consideration of the transfer of a share or shares held by him in the amalgamating company, in a scheme of amalgamation, the cost of acquisition to him of the shares in the amalgamated company shall be taken to be the cost of acquisition to him of the share or shares in the amalgamating company.

Clause 21 seeks to amend section 55 of the Income-tax Act. These amendments are consequential to the amendments proposed to be made in section 49 by clause 20 of the Bill.

Clause 22 seeks to amend section 72 of the Income-tax Act.

Sub-clause (i) seeks to add a proviso to sub-section (1) of section 72. This enables the carry-forward and set off of any loss sustained in the business of an industrial undertaking carried on by the assessee in India, which after its discontinuance in the circumstances specified in section 33B (proposed to be inserted in the Income-tax Act by clause 11 of the Bill) is re-established, reconstructed or revived by the assessee within the three-year period referred to in that section. Such loss will be carried forward to the assessment year relevant to the previous year in which the business is so re-established, reconstructed or revived, and set off against the profits and gains of the assessee from that business or any other business carried on by him in that year and so on for a period of seven years next following, subject to the condition that the re-established, reconstructed or revived business continues to be carried on by the assessee.

Sub-clause (ii) seeks to amend sub-section (3) of section 72. This amendment is consequential to the amendment proposed to be made by sub-clause (i) above.

Clause 23 seeks to introduce, with effect from 1st April, 1966, a new section 80F in Chapter VIA of the Income-tax Act. The effect of the proposed section 80F will be that in the case of a resident individual, who is a citizen of India, and who receives remuneration from any foreign university or other educational institution or such other foreign association or body as may be notified in this behalf by the Central Government in the Official Gazette, for rendering service outside India as a professor, teacher or research worker in such university, institution, association or body, a deduction will be allowed in an amount equal to fifty per cent. of such remuneration in computing his total income. However, if the individual renders continuous service outside India in such university, institution, association or body for a period exceeding 36 months, he will not be entitled to the above-mentioned deduction in respect of his foreign remuneration for such service relating to any period after the expiry of the aforesaid 36 months.

Clause 24 seeks to amend section 84 of the Income-tax Act.

Sub-clause (a) seeks to substitute, with retrospective effect, sub-section (1) of that section. The effect of the substituted sub-section will be that the 'tax holiday' under section 84 of the Income-tax Act, in the case of newly established industrial undertakings and hotels (owned by companies), on the profits and gains up to six per cent. per annum of the average capital employed in the undertaking or the hotel, will be extended to profits and gains derived by an Indian company from plying of ships.

Sub-clause (b)(i) seeks to substitute, retrospectively, clause (iii) of sub-section (2) of section 84 of the Income-tax Act. The effect of the substituted provision will be that an industrial undertaking operating a cold storage plant in India will also be entitled to the 'tax holiday' under section 84.

The amendment proposed to be made by sub-clause (b)(ii) is consequential to the amendment proposed to be made by sub-clause (b)(i).

Sub-clause (b)(iii) seeks to insert a proviso to sub-section (2) of section 84. The effect of the proviso will be that an industrial undertaking which is formed as a result of the re-establishment, reconstruction or revival by the assessee of the business of any such industrial undertaking as is referred to in the proposed section 33B, in the circumstances and within the period specified in that section, will not be disentitled to the 'tax holiday' under section 84 by reason merely of the fact that such undertaking is formed by the splitting up, or reconstruction of a business, which was formerly in existence.

Sub-clause (c) seeks to substitute sub-section (3) of section 84 by a new sub-section. The sub-section as substituted omits the existing condition that the hotel building should be owned by the Indian company in order to be eligible for the 'tax holiday' concession. Further, an Indian company running the business of a hotel will be eligible for the 'tax holiday' even in a case where the hotel premises were, before their transfer to the company, used for any purpose other than as premises for running a hotel.

Sub-clause (d) seeks to insert a new sub-section (3A) in section 84. The proposed sub-section lays down various conditions which have to be fulfilled before the profits and gains derived by an Indian company from the plying of a ship or ships can qualify for the tax concession under this section. These conditions are that—

(a) the ship should be owned by an Indian company and wholly used by it for the purposes of its business;

(b) the ship, previous to the date of its acquisition by the Indian company, should not have been owned and used in Indian territorial waters by a person resident in India; and

(c) the ship should have been brought into use by the Indian company at any time within a period of twenty-three years next following 1st April, 1948.

The amendment proposed to be made by sub-clause (e) is consequential to the amendment proposed to be made by sub-clause (a) of this clause.

The amendment proposed to be made by sub-clause (f) is consequential to the amendment proposed to be made by sub-clause (b)(i) of this clause.

The amendment proposed to be made by sub-clause (g) is of a drafting nature.

Sub-clause (h) seeks to insert a new sub-section, namely, sub-section (9) in section 84. The proposed sub-section seeks to provide that in relation to a ship, the provisions of section 84 shall apply to the assessment for the assessment year relevant to the previous year in which the ship is brought into use by the Indian company and the four assessment years next following.

Clause 25 seeks to amend section 85 of the Income-tax Act with retrospective effect. This amendment is consequential to the extension of the 'tax holiday' provisions of section 84 of the Income-tax Act to profits and gains derived from the plying of a ship, by clause 24 of the Bill. The effect of this amendment will be that dividends from an Indian company which are attributable to its profits and gains derived from the plying of a ship, which are exempt from tax under the provisions of section 84, will be exempt from tax in the hands of the shareholders.

Clause 26 seeks to amend section 88 of the Income-tax Act. The effect of this amendment will be that donations to the Prime Minister's Drought Relief Fund will be eligible for rebate of tax without the operation of the ordinary ceiling limit over the qualifying amount, applicable to other charitable donations, namely, ten per cent. of the total income of the donor or Rs. 2 lakhs, whichever is less.

Clause 27 seeks to make certain amendments in Chapter XIII of the Income-tax Act with a view to facilitating the organisation of work in the Income-tax Department on functional basis.

Under section 125, as substituted, it will be open to the Commissioner of Income-tax to direct, by general or special order, that specific functions vested in the Income-tax Officer by or under the Income-tax Act shall be performed by an Inspector of Income-tax or any member of the ministerial staff subordinate to the Commissioner or other lower Income-tax authorities, in respect of any specified area, case or class of cases, person or class of persons or class of incomes, subject to such conditions, restrictions or limitations as may be specified by him in the order. However, the Commissioner may not assign to the Inspector of Income-tax or any member of the ministerial staff certain important functions of the Income-tax Officer such as the function of summoning and examining witnesses, making searches and seizures, making of assessments, re-opening of assessments in cases of escapement of income, issue of recovery certificates, distress warrants or garnishee orders, levy of penalty, etc., unless the Board, by general or special order, authorises him to do so.

Under section 127, as substituted, the Commissioner or the Board may transfer any case from any Income-tax Officer or Income-tax Officers to any other Income-tax Officer or Income-tax Officers after following the procedure laid down in this behalf under the existing law. The section further provides that where any case has been so transferred to two or more Income-tax Officers, the Board or the Commissioner or any Inspecting Assistant Commissioner authorised by him in this behalf, may, by general or special order in writing, distribute and allocate the work in such a case on functional basis among the Income-tax Officers to whom the case has been transferred.

Sub-clause (6) seeks to substitute a new section for section 128 of the Income-tax Act. Section 128, as substituted, provides that Inspectors of Income-tax shall perform such functions in the execution of the Income-tax Act as are assigned to them by the Commissioner by an order made under section 125(1)(b) [as proposed to be substituted by sub-clause (4)] or otherwise or by any other Income-tax authority under whom they are appointed to work.

It will also be open to the Central Government to notify any officer, authority or body performing functions under any other law, and on such notification, the Board or any other Income-tax authority may furnish or cause to be furnished similar information relating to any assessee to the officer, authority or body so notified.

The deduction of tax will have to be made at the time of the credit of such income to the account of, or the payment thereof (by whatever mode) to, the person entitled to receive such income, whichever is earlier. However, deduction of tax will not be required to be made in a case where the person (not being a company or a registered firm) entitled to receive such income furnishes an affidavit (to the person responsible for paying the income) declaring that his total income for the assessment year next following the financial year in which the income is credited or paid will be less than the minimum amount liable to tax in his case. Further, no deduction of tax will be required to be made under the provisions of this section if the income is credited or paid before 1st October, 1967 or if the amount of income credited or paid at any one time does not exceed, in the case of income by way of brokerage or commission, the sum of five hundred rupees, and in any other case, the sum of two hundred rupees.

Under the section as replaced, no deduction of tax will be required to be made by any person from any sums by way of interest on securities or dividends on shares or any other income payable to a corporation established by or under a Central Act which is, under any law for the time being in force, exempt from income-tax on its income, where such corporation is the owner of the securities or shares or has full beneficial interest therein. This provision replaces the existing provision in section 83 of the Income-tax Act which, in consequence, is sought to be omitted from the Income-tax Act by item 14 of this Schedule.

Item 2 of the Third Schedule seeks to amend section 32 of the Income-tax Act.

Clause (a) seeks to insert a new clause (v) in sub-section (1) of section 32. The new clause provides for the grant of an 'initial' depreciation allowance, in a sum equal to twenty-five per cent. of the actual cost of construction of a new building (the erection of which is completed after 31st March, 1967) to an Indian company, in a case where such building is used by the company as premises for running a hotel, and the hotel is for the time being approved in this behalf by the Central Government. The deduction will be allowed in respect of the previous year in which the erection of the building is completed or, if the building is first put to use in the immediately succeeding previous year, then, in respect of that previous year. The 'initial' depreciation will not be deducted in determining the written down value of the building for the grant of the normal depreciation allowance under section 32(1)(ii); the initial depreciation will, however, be taken into account for purposes of the other provisions of the Income-tax Act.

Clause (b) seeks to amend sub-section (2) of section 32 of the Income-tax Act. This amendment is consequential to the amendment proposed to be made by clause (a) of this item.

The new sub-section (1) omits references to certain dates of acquisition of a ship or the installation of any machinery or plant, which have no relevance for the assessment year 1968-69 and subsequent assessment years; the provisions of the substituted sub-section have also been re-drafted so as to make them more easily comprehensible. The substantive change in the new sub-section consists in the grant of development rebate at the higher rates applicable to machinery or plant installed in a priority industry, to machinery or plant installed after 31st March, 1967 by an Indian company in premises used by it as a hotel, where the hotel is for the time being approved in this behalf by the Central Government, and to machinery or plant installed by any assessee after the aforesaid date, being an asset representing expenditure of a capital nature on scientific research related to the business carried on by the assessee. The higher rates of development rebate in respect of the machinery or plant mentioned above are thirty-five per cent. of the actual cost of the machinery or plant to the assessee, where it is installed before 1st April, 1970 and twenty-five per cent. of such cost, where it is installed after 31st March, 1970.

The effect of this amendment will be that the prohibition against the grant of development rebate in respect of machinery or plant installed after 31st March, 1965 in any office premises or in any residential accommodation, including guest houses, will not operate in respect of any machinery or plant installed after 31st March, 1967 by an Indian company carrying on business as a hotelier in premises used by it as a hotel, where the hotel is for the time being approved in this behalf by the Central Government.

Item 4 of the Third Schedule seeks to amend sub-section (2) of section 33A of the Income-tax Act. This amendment is consequential to the substitution of the existing Chapter VIA of the Income-tax Act by a new Chapter VIA by item 13.

Clause (i) seeks to substitute the existing clause (i) of the said sub-section (2) by two new clauses, namely, clause (i) and clause (ia). Under the new clause (i), capital expenditure on scientific research related to the class of business carried on by the assessee which is incurred before the 1st April, 1967 will be allowed to be deducted over a period of five years, as under the existing law. The new clause (ia) provides that where such expenditure is incurred after the 31st March, 1967, the whole of such expenditure will be allowed as a deduction in the previous year in which such expenditure has been incurred.

The amendments made by clauses (ii) and (iii) are consequential to the amendment made by clause (i).

Under the proviso as substituted, the 'actual cost' of a motor car, for the purpose of calculating depreciation allowance, will not be limited to Rs. 25,000, as under the existing law, where the motor car is acquired after 31st March, 1967, and is used in a business of running it on hire as a tourist-taxi.

Item 10 of the Third Schedule seeks to substitute sub-section (2) of section 71 of the Income-tax Act by two new sub-sections.

The effect of the new sub-section (2) will be that any loss sustained by the assessee under any head of income other than 'Capital gains', which under the existing provisions of the Act cannot be set off against his income chargeable under the head 'Capital gains' except if the assessee so desires, will be set off against his income relating to capital gains from short-term capital assets.

The effect of the new sub-section (3) will be that any loss sustained by the assessee from the transfer of any short-term capital asset, which under the existing provisions of the law cannot be set off against his ordinary income, will be set off against such income. The effect of these two provisions will be that, for the purposes of set off of loss under one head against income under another, capital gains relating to short-term capital assets will be treated on par with ordinary income.

Item 11 of the Third Schedule seeks to amend section 72 of the Income-tax Act. This amendment is consequential to the amendment proposed to be made in section 71 of the Act by item 10.

Item 12 of the Third Schedule seeks to amend section 74 of the Income-tax Act. This amendment is consequential to the amendment proposed to be made in section 71 of the Income-tax Act by item 10.

Item 13 of the Third Schedule seeks to substitute a new Chapter for Chapter VIA of the Income-tax Act. The new Chapter VIA seeks, *inter alia*, to replace the existing provisions for grant of full or partial rebate of tax at the average rate of tax or charging of tax at a concessional rate on certain items of income or payments, contained in Chapter VII, Chapter VIII and Chapter XII of the Income-tax Act, by provisions for allowing a straight deduction of the whole or a specified percentage of the amount qualifying for the rebate or concessional rate of tax, in computing the total income.* The provisions of section 80A to 80E of the existing Chapter VIA also find a place in the new Chapter with certain modifications. The new Chapter VIA also incorporates certain new provisions.

New section 80A lays down certain general principles which are relevant for the purposes of the deductions to be allowed in computing the total income under new section 80C to 80T. In particular, section 80A(2) limits the aggregate of these deductions to the gross total income of the assessee, i.e., the total income as computed under the provisions of the Income-tax Act before making any deduction under Chapter VIA or for annuity deposit under section 280O of that Act and without applying the provisions of section 64 of that Act. Section 80A(3) provides that where a deduction has been allowed under new section 80G or 80H or 80J or 80K or 80L or 80S or 80T in computing the total income of a firm, association of persons or body of individuals, no deduction under the same section shall be allowed in computing the total income of a partner of the firm or a member of the association or body, in relation to his share in the income of the firm, association or body.

New section 80B contains definitions of certain terms used in this Chapter.

New section 80C, relating to deductions in respect of life insurance premia, contributions to provident fund, etc., corresponds to the existing section 80A of the Income-tax Act, except for certain verbal or drafting changes and an increase in the limits of the amount qualifying for the deduction udner that section. The new limits will be 30 per cent. of the gross total income or Rs. 15,000, whichever is less, in the case of an individual, and 30 per cent. of the gross total income or Rs. 30,000, whichever is less, in the case of a Hindu undivided family.

New section 80D, relating to deduction in respect of medical treatment of handicapped dependants, corresponds to the existing section 80B of the Income-tax Act, except for certain verbal or drafting changes.

New section 80E, relating to deduction in respect of payments for securing retirement annuities, corresponds to the existing section 80C of the Income-tax Act, except for certain verbal or drafting changes.

New section 80F provides for the deduction of a specified amount in the computation of the total income in the case of a resident individual who is not a citizen of India, where such individual has incurred out of his income chargeable to tax any expenditure on the full time education of a child of 21 years or under, dependent on him, in a university, college or school or other educational institution outside India. The specified amounts are Rs. 1,500 for each such child subject to a maximum amount of Rs. 3,000 in respect of two or more such children. This provision replaces the existing provision in section 87A of the Income-tax Act which, in consequence, is sought to be omitted by item 15.

New section 80G seeks to replace the existing section 88 of the Income-tax Act. The new section provides for a straight deduction of 50 per cent. of the qualifying amount of donations in computing the total income of all categories of tax payers. In other respects, the provisions of the new section correspond to the provisions of the existing section 88 (as sought to be amended by clause 26 of the Bill), which, in consequence, is sought to be omitted by item 15.

New section 80H provides that in computing the total income of any assessee whose 'gross total income' includes any profits and gains derived from a new industrial undertaking which satisfies all the conditions laid down in that section, a deduction will be allowed of a sum equal to fifty per cent. of the amount of such profits and gains, subject to a monetary ceiling over the deduction of Rs. 1 lakh. This deduction will be allowed in respect of the assessment year relevant to the previous year in which the undertaking begins to manufacture or produce articles, and the nine assessment years immediately succeeding. The deduction under this section will be available in respect of the profits and gains of a new industrial undertaking which fulfils all the following conditions, namely:—

(i) it is not formed by the splitting up or reconstruction of a business already in existence;

(ii) it is not formed by the transfer to a new business of a building, machinery or plant previously used for any purpose;

(iii) it has begun or begins to manufacture or produce articles in any part of India at any time within the period of three years next following the 1st April, 1967;

(iv) it employs, on every working day throughout the previous year, fifty or more workers in a manufacturing process (whether carried on with or without the aid of power);

(v) it employs displaced persons or repatriates or members of the families of displaced persons or repatriates, and the daily average number of such employees, as certified by the prescribed authority, is not less than sixty per cent. of the daily average of all the persons employed in the undertaking throughout the previous year. In computing the daily average number of employees who are displaced persons or repatriates or members of the families of displaced persons or repatriates, any such employee who had completed the age of forty years at the time of his first employment in the undertaking will not be taken into account.

The expressions 'displaced person' and 'repatriate' have been defined in clause (1) and clause (9), respectively, of new section 80B.

The expression 'member of the family' in this section means any member of the family of a person who, before his employment in the undertaking, was dependent on such person.

New section 80I relating to deduction in respect of profits and gains from priority industries in the case of certain companies seeks to replace the existing section 80E of the Income-tax Act. The only change of a substantive character which has been made in the new section consists in the extension of the concession available under the existing section 80E to profits and gains derived from the business of a hotel carried on by an Indian company in a case where such hotel is for the time being approved in this behalf by the Central Government.

New section 80J seeks to replace section 84 of the Income-tax Act as proposed to be amended by clause 24 of the Bill. Under section 80J, where the gross total income of an assessee includes any profits and gains from an industrial undertaking or ship or the business of a hotel to which this section applies, the profits and gains of such industrial undertaking or ship or the business of the hotel up to 6 per cent. per annum of the capital employed therein will be allowed as a straight deduction in computing the total income of the assessee. Under the provisions of section 84, such income qualifies for a rebate of tax at the average rate of tax applicable to the total income of the assessee.

Section 80J further provides for the carry-forward of any deficiency in the 'tax holiday' benefit from the assessment year 1967-68 onwards to the subsequent assessment years for being allowed as a straight deduction in computing the total income of the assessee for such subsequent assessment years. Such carry-forward is to be allowed up to the eighth assessment year commencing with the assessment year in which the industrial undertaking started producing articles or operating a cold storage plant or the ship was brought into use by the Indian company for the purpose of its business or, as the case may be, the business of the hotel started functioning. The 'deficiency' in the 'tax holiday' benefit is the amount by which the profits and gains derived from the industrial undertaking or ship or business of the hotel in each year falls short of six per cent. of the capital employed in the business. While the carry-forward and allowance of deficiency is, as stated above, permissible up to the 8th assessment year from the year of commencement of the business, the deduction on account of profits and gains up to 6 per cent. of the capital employed is to be allowed, as under the present law, for a total period of 7 years from the year of commencement of the business in the case of a co-operative society, or 5 years in the case of any other assessee.

In other respects, the provisions of section 80J are, in substance, the same as those of section 84, as proposed to be amended by clause 24 of the Bill.

Where the industrial undertaking which is entitled to the deduction on account of 'tax holiday' under section 80J is entitled also to the deduction under section 80H or section 80I, the deductions under sections 80H and 80I will first be allowed from the profits of the industrial undertaking and the deduction under section 80J will be allowed with reference to the balance of such profits remaining after the deductions under sections 80H and 80I.

Section 84 is, in consequence, proposed to be omitted by item 14.

New section 80K seeks to replace the existing section 85 of the Income-tax Act, whereunder dividends attributable to the 'tax holiday' profits of a company qualify for rebate of tax in the hands of the shareholder of the company. Instead of the rebate of tax allowed on such dividends under section 85 of the Income-tax Act, new section 80K provides that the entire amount of such dividends included in the 'gross total income' of the shareholder will be allowed as a deduction in computing his total income Section 85 of the Income-tax Act is, in consequence, proposed to be omitted by item 14.

New section 80L provides that where in the case of any assessee, the income by way of dividends included in his gross total income does not exceed five hundred rupees, the entire amount of the income by way of dividends from an Indian company or companies will be allowed as a deduction in computing his total income.

New section 80M seeks to replace section 85A of the Income-tax Act relating to grant of a partial rebate of tax on inter-corporate dividends in the hands of the company receiving the dividends. Under section 80M, where the gross total income of a company includes income by way of dividends received by it from a domestic company, a specified percentage of such dividends will be allowed as a straight deduction in computing its total income. In the case of a foreign company receiving dividends from a closely-held Indian company which is mainly engaged in a priority industry, the deduction will be of an amount equal to 80 per cent. of such dividends, and 60 per cent. in respect of dividends received by it from any other domestic company or companies. In the case of a domestic company, the deduction will be an amount equal to 60 per cent. of the dividends received by it from any other domestic company or companies.

Where the company receiving the inter-corporate dividends is entitled also to the deduction under section 80K (relating to dividends attributable to 'tax holiday' profits of the company paying the dividends) or under section 80L (relating to deduction of dividends from Indian companies in cases where the total amount of dividends does not exceed Rs. 500), the deduction under section 80M will be allowed with reference to the amount of the dividends as reduced by the deductions under sections 80K and 80L.

Section 85A of the Income-tax Act is, in consequence, proposed to be omitted by item 14.

New section 80N seeks to replace section 85B of the Income-tax Act relating to grant of a partial rebate of tax on dividends received by an Indian company from a foreign company on shares in the foreign company allotted to it in consideration for the supply of technical know-how or technical services under approved agreements. Under section 80N, 60 per cent. of such dividends will be allowed as a straight deduction in computing the total income of the Indian company.

Section 85B of the Income-tax Act is, in consequence, sought to be omitted by item 14.

Under section 80O, 60 per cent. of such income will be allowed as a straight deduction in computing the total income of the Indian company.

Section 85C of the Income-tax Act is, in consequence, sought to be omitted by item 14.

New section 80P seeks to replace section 81 of the Income-tax Act relating to the grant of a rebate of tax on certain categories of incomes of co-operative societies. Under section 80P, the amount of income which which at present qualifies for rebate of tax will be allowed as a straight deduction in computing the total income of the co-operative society. The details of the income qualifying for this concession as well as the conditions under which it so qualifies, under the new section 80P remain the same as under the existing section 81.

Section 81 of the Income-tax Act is, in consequence, sought to be omitted by item 14.

New section 80Q seeks to replace section 82 of the Income-tax Act relating to grant of rebate of tax to a member of a co-operative society in respect of dividends received by him from the society. Section 82 of the Income-tax Act is, in consequence, sought to be omitted by item 14.

New section 80R replaces section 80F proposed to be inserted in the Income-tax Act, by clause 23 of the Bill. The provisions of section 80F, as explained in the note on clause 23, remain unchanged.

New section 80S seeks to replace section 112 of the Income-tax Act relating to the charging of tax at a concessional rate on income by way of compensation for the termination of a managing agency, etc., in the case of non-corporate assessees. Under section 80S, 25 per cent. of such income will be allowed as a straight deduction in computing the total income of such assessee, subject to a ceiling limit of Rs. 1 lakh over the amount of the deduction.

Section 112 of the Income-tax Act is, in consequence, sought to be omitted by item 18.

New section 80T seeks to replace section 114 of the Income-tax Act relating to the charging of tax at a concessional rate on income chargeable under the head 'Capital gains' in the case of non-corporate assessees. Under section 80T, a straight deduction will be allowed of a specified proportion of the long-term capital gains (*i.e.*, capital gains relating to capital assets other than short-term capital assets) included in the gross total income of the assessee in computing his total income. The amount of the deduction will be Rs. 5,000 *plus* 40 per cent. of the amount by which the long-term capital gains exceed Rs. 5,000, where they relate to buildings or lands or any rights in buildings or lands. The deduction will be Rs. 5,000 plus 60 per cent. of the amount by which the long-term capital gains exceed Rs. 5,000, where these relate to any other assets. In a case where the capital gains relate to both categories of capital assets, namely, buildings or lands or any rights therein as well as any other capital assets, the initial amount of Rs. 5,000 will be deducted in the first instance from the long-term capital gains relating to buildings or lands or rights therein; and where such long-term capital gains are less than Rs. 5,000, the balance will be deducted from the long-term capital gains relating to other capital assets, before applying the percentage of 60 to the latter.

In a case where the gross total income including the long-term capital gains does not exceed Rs. 10,000, or where the long-term capital gains do not exceed Rs. 5,000, the whole of the long-term capital gains will be allowed as a straight deduction in computing the total income. The provision for charging a minimum tax at the rate of 15 per cent. of the long-term capital gains in excess of Rs. 5,000, which exists under the present law, will no longer be operative.

Capital gains relating to short-term capitals assets, which under the existing section 114, are subjected to tax at the average rate of tax applicable to the aggregate of the ordinary income and the short-term capital gains, will henceforth be treated on par with ordinary income.

FINANCIAL MEMORANDUM

INCOME-TAX AND OTHER DIRECT TAXES

The provisions contained in clauses 27, 34, 35 and 36 of the Finance (No. 2) Bill, 1967 are designed to facilitate reorganisation of the work in the Income-tax Department on the functional basis with a view to speeding up assessments and expediting collection of revenue and generally increasing the efficiency of the Department. It is proposed to introduce the functional system of working, during the financial year 1967-68, in Income-tax ranges accounting for 50-60 per cent. of the total income-tax revenue. While the re-organisation is not, for the present, expected to entail any increase in the strength of officers and staff in the field offices, it is considered necessary to set up a small unit at headquarters for assisting the field officers in the introduction of the functional system of working. This unit will also devise schemes for introducing simplified procedures in other Income-tax Offices and will further function as a planning cell for the Department. Some expenditure will also be incurred on the hiring of office buildings where necessary, and also on acquiring furniture, including steel almirahs and racks, for centralised record rooms in the Income-tax ranges organised on the functional system.

The expenditure on the setting up of the unit at headquarters as stated above and on hiring of office buildings, acquiring furniture, etc., for the field offices for the financial year 1967-68 is estimated at Rs. 2,30,000 as indicated hereinbelow:

AWARD

By order No. 1947-I.R.|IR|11L-118|67, dated the 11th May 1967, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. United Sales Corporation, 2 Jawaharlal Nehru Road, Calcutta-13, and their workman Shri Amalendu Sekhar Chatterjee, 47 Ramnarayan Palli, Calcutta-34, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, by Notification No. 808-I.R/IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether the termination of service of Shri Amalendu Sekhar Chatterjee is justified? What relief, if any, is he entitled to.

On receipt of the order of reference, usual notices were served on the parties, fixing 3rd July 1967 for their appearance as also for filing of written statement by the workman. The notices were duly served but neither the company nor the worker appeared. Instead, through post a petition of the company was received. In the said petition company has stated that the dispute under reference has been settled on terms mentioned in the petition and that in terms of the settlement the concerned worker had been paid Rs. 300. For non-appearance of the concerned worker notwithstanding the service of the notice as also for the facts stated in the company's petition referred to above, I am satisfied that the industrial dispute under reference is no longer existing. Accordingly a "no dispute" award is passed. The petition sent by the company, through post, do form part of the award.

In the matter of an industrial dispute between Messrs. Britannia Building & Iron Co. Ltd., 286/287, G. T. Road, Salkia, Howrah and their workmen represented by Engineering Mazdoor Sabha, 4 Nityadhan Mukherjee Road, Howrah, and Britannia Building and Iron Workers' Union, 69 Kaibartapara Lane, Salkia, Howrah. BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL, CALCUTTA.

Present:

Shri R. BHATTACHARYA, M.A. LL.B. Judge,
Fourth Industrial Tribunal.

In this reference over a dispute between Messrs. Britannia Building & Iron Co. Ltd., 286/287 G. T. Road, Salkia, Howrah (hereinafter described as the company) and their workmen represented by (i) Engineering Mazdoor Sabha, 4 Nityadhan Mukherjee Road, Howrah, and (ii) Britannia Building and Iron Workers' Union, 69 Kaibartapara Lane, Salkia, Howrah, the issue for adjudication is as follows:

Issue

Whether the employers are justified in laying off all the workmen from 31st October 1966, and whether they are justified in continuing such lay-off? To what relief, if any, are the workmen entitled?

Due notices were served on the parties. The company appeared in this case. The Mazdoor Sabha has not appeared to contest. The Workers Union did appear and prayed for time to file written statement. 28th June 1967 was fixed for submitting the written statement by the Workers Union. That day the union did not file any written statement. 17th July 1967 was therefore fixed for filing written statement by the company. On 17th July 1967, nobody for the company appeared in this case but the Joint Secretary of the Workers Union filed a petition stating that a settlement had been made between the company and the workmen on the question of lay-off. Along with the petition, however, a copy of the memorandum of settlement was filed. In the circumstance of this case I find that the parties do not intend to proceed with the instant reference and that there is at present no dispute between the company and their workmen. The reference is thus disposed of.

AWARD

The Government of West Bengal, in its Labour Department, by order No. 4541-I.R./IR/4L-61/66, dated the 25th November 1966, has referred the industrial dispute between Messrs. Transport Corporation of India Private Ltd., 25/27 Kalikrishna Tagore Street, Calcutta-7, and their workman Shri Atmanand Pande, 13 Hanspukur 2nd Lane, Calcutta-7, to this Tribunal under section 10, read with section 2A of the Industrial Disputes Act, 1947, for adjudication.

The issue under reference is as follows:—

Issue

> Is the termination of service of Shri Atmanand Pande justified ? What relief, if any, is he entitled to ?

After the service of usual notices, both parties appeared on 16th December 1966. Written statement was filed on behalf of the company on 21st February 1967. None appeared and no written statement was filed on behalf of the workman concerned, though the Tribunal gave as many as six opportunities to him to file written statement and to appear at the hearing. The case was therefore taken up for ex parte hearing. The facts of the case, as they appear from the written statement filed on behalf of the company are as follows:

The company, i.e., Messrs. Transport Corporation of India Private Ltd., carries on road transport business all over India, mainly through lorries and trucks. The workman concerned Shri Atmaram Pande was an employee as a member of the subordinate staff at Calcutta. Shri Pande was transferred to the company's office at Patna and served therefore more than 4½ months. By his letter, dated 20th October 1965, Shri Pande applied for leave for one month from 25th October 1965 to 25th November 1965 on the ground of illness of his son. He again made an application, dated 24th November 1965, praying for further extension of leave for a fortnight and this application reached the company on 2nd December 1965. The company considered his application for extension, but refused to grant any further extension and asked Shri Pande to report at Patna office within 3 days of the receipt of the letter, dated 2nd December 1965. Shri Pande did not report at Patna within the allotted time knowing that his application for extension for leave had not been granted. He again made further application on 5th December 1965 for extension of leave. As he disobeyed the orders of the company directing him to report for duty at Patna within the period specified in the letter, his service was terminated by the company by its letter, dated 10th December 1965. Shri Pande wrote a letter protesting against the order of dismissal, and alternatively prayed that he should be paid gratuity for 4 months and notice pay of one month in case the company did not like to retain him in service. The company refused to accede to his request. Shri Pande referred the matter to the Labour Commissioner making false assertions. The termination of service of Shri Pande is just and proper and there was no mala fide on the part of the management.

Shri Pande did not file any written statement up to the date of hearing. He also did not contest the case at the time of hearing. After the hearing was over, he filed a petition along with the written statement, which was not accepted by the Tribunal (vide order No. 15, dated 12th July 1967 in the order sheet).

The Company has succeeded in proving that the termination of service of Shri Pande is justified. P.W. 1 who is the Superintendent of the Transport Corporation has stated that the job of the workers is transferable as the company has got branches all over India. He has further stated that on 10th September 1965 Shri Pande was transferred to Patna office and he applied for leave from Patna. Ext. 1 is the application for leave submitted by Shri Pande on 25th October 1965 from Patna. Ext. 1A shows that on 24th November 1965, written by the company to Shri Pande, cutta praying for extension of leave for a fortnight on the ground of illness of his son. On 2nd December 1965 the company gave a letter to Shri Pande asking him to report for duty at Patna office within 3 days from the date of the letter. Ext. 1B is a letter, dated 5th December 1965. It shows that Shri Pande again applied for extension of leave. Ext. 2A is a letter, dated 10th December 1965, written by the company to Shri Pande ; it shows that the company terminated his services with effect from 2nd December 1965 on account of disobedience of orders directing him to report for duty at Patna office within 3 days. Thereafter Shri Pande wrote a letter, dated 24th October 1965 (Ext. 1C), to the company challenging the order of dismissal and in the alternative, claiming gratuity for 4 months and notice pay for one month. Ext. 1D is a letter written by Shri Pande to the company on 31st January 1966 requesting the company to allow him to work as before, or to pay him Rs. 825 on account of compensation. Thereafter the workman concerned approached the Labour Commissioner by his letter, dated 30th May 1966 (Ext. 1E), alleging that he was wrongfully dismissed. It will appear from the records that Shri Pande was dismissed for disobedience or orders of the company directing him to report for duty to the Patna office within 3 days as stated in Ext. 2. P.W. 1 Shri Saraogi has succeeded in proving that the dismissal is justified. There is no evidence on the side of the workman concerned to challenge the oral and documentary evidence adduced on behalf of the company.

I therefore hold that the termination of service of Shri Pande the workman concerned is justified because he disobeyed the orders of the company directing him to joint at the Patna office within 3 days. The workman concerned is not, therefore, entitled to any relief. The issue under reference is thus decided and award is passed accordingly. This is my award.

AWARD

By order No. 2236-I.R./IR/10L-135/67, dated the 27th May 1967, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Howrah United Engineering Co. (P) Ltd., 312 'K' Road, Belgachia, Howrah, and their workmen represented by Howrah United Engineering Company Mazdoor Union, 125 Mohendra Bhattacharyya Road, P. O. Issue

Whether the lock-out of the factory with effect from 2nd March 1967, is justified ? To what relief, if any, are the workmen entitled ?

On receipt of the order of reference usual notices were issued to the parties fixing 1st July 1967, for their appearance as also for filing of written statement by the union. Notices were duly served but none appeared for the union. Shri S. K. Mukherji, Accountant of the company, however, appeared and filed a petition together with a copy of memorandum of settlement stating that the dispute has been amicably settled and praying for an award in terms of the memorandum of settlement. After hearing the Accountant and considering the terms as embodied in the memorundum of settlement, I have no doubt about the bona fides of the company's petition filed on 1st July 1967, and I am satisfied that the parties have amicably settled the dispute on terms mentioned in the memorandum of settlement. The terms appear to me quite fair, reasonable and also beneficial to the workers. Accordingly a compromise award on terms mentioned in the memorandum of settlement annexed to the company's petition, dated 1st July 1967, is passed. The petition together with the memorandum of settlement do form part of the award as Annexures 'A' and 'B'.

AWARD

The Government of West Bengal, Labour Department, by order No. 2825-I.R./IR/9L-17/64, dated Calcutta, the 9th July 1964, made a reference under 10 of the Industrial Disputes Act, 1947, for adjudication of an industrial dispute between Messrs. Oodlabari Company Ltd. (hereinafter called the Company), in respect of their property, the Oodlabari Tea Estate, P.O. Manabari, district Jalpaiguri, and their workmen represented by West Bengal Chah Sramik Union, Jalpaiguri, relating to the undermentioned issue being a matter specified in the third schedule to the Industrial Disputes Act, 1947.

Issue

Whether the company is justified in retiring the following workmen? What relief, if any, are the workmen entitled to?

(a) Shri Jangloo Barik,
(b) Shri Durga Oraon,
(c) Shri Dala Oraon,
(d) Shri Shadev Oraon,
(e) Shri Mangroo Nagasia,
(f) Shri Rathu Lohar,
(g) Shri Lohan Oraon, (typographical mistake, the actual name being Johon).
(h) Shri Majhi Santal,
(i) Shri Dhucha Oraon,
(j) Shri Birshai Oraon,
(k) Shrimati Koily Oraon,
(l) Shrimati Kundi Oraon, and
(m) Shrimati Gandhowri Oraon.

On receipt of the order of reference from the Labour Department, the Tribunal issued usual notices on the parties fixing 12th August 1964, for their appearance and filing of written statement by the Union. The Union prayed for some adjourments and ultimately filed its written statement . A copy of the written statement filed by the Union was made over to the company. Thereafter, the company took some adjournments and filed its written statement. A copy of the written statement filed by the Company was made over to the Union. Thereafter, it appears from the order sheet of the Tribunal that owing to congestion of cases, this dispute could not be heard earlier. On the petition of the parties, the Tribunal went to Darjeeling once in 1966 to hear this case, but the same could not be heard because of the adjournment given to the parties upon their prayer. Thereafter, the Tribunal heard the case at Kalimpong from 6th July 1967 onwards.

The Company appeared before the Tribunal and the Manager of the Oodlabari Tea Estate, Shri B. C. Marodia, conducted the case on behalf of the Company. The Union did not at all appear before the Tribunal and no explanation was given for its absence. In the circumstances, the case was heard ex-parte.

The Company examined one witness, viz., Shri Sachindra Nath Sen, on 10th July 1967. Thereafter, on the prayer of the Company the witness was again re-called on 12th July 1967 and was further examined. Witness Dr. Sachindra Nath Sen produced and exhibited certain entries in the death register, which have been marked Exts. B, B(1) and B(2). He also proved certificates issued by him which are marked Exts. A, A(1) and A(2). The evidence given by Dr. Sachindra Nath Sen, Medical Officer of Oodlabari Tea Estate is to the effect that he examined the workmen named in the issue above and found them unfit to work as coolie and accordingly issued certificates and on the basis of certificates, it has been argued, the workmen were retired. From the death register, it was pointed out to the Tribunal that the workman Shri Dala Oraon, who was a baidar, died of heart failure on 5th February 1964. Another workman, Shri Mangroo Nagasia died on 29th August 1965 of old age and debility. The register also shows that another workman, Shri Sahadev Oraon, died on 9th June 1966 of hyper-acidity and general anasavca. The Manager of the Company, Shri Marodia, submits that in the circumstances, the workmen are not entitled to any relief, because they had been retired on being found physically unfit to give service as coolie.

The union has not taken any interest in prosecuting its case. There is no reason for the Tribunal to disbelieve the evidence given by the doctor and to reject the certificates issued by him regarding the fitness of the workmen to work as coolie. Ext. A shows that on 1st January 1963 Dr. Sen examined 8 workers, out of whom he found Sahadev, Dhucha, Majhi, Rathoo and Johon (mistakenly typed as Lohan in the order of reference) unfit for work due to physical infirmity, etc. On 30th July 1963, Dr. Sen examined 12 workmen, out of whom he found 6 unfit to work as coolie. The aforesaid six are Jangloo, Durga, Birshi, Shrimati Kundi, Shrimati Koily and Shrimati Gondowri unfit to work due to physical infirmity. Therefore, it appears that when the Company found the workmen physically unfit to render normal service, the company retired them after getting them examined by a qualified doctor. In the circumstances, and there being no contrary evidence, I have no option but to hold that the company was justified in retiring them. There is nothing in evidence to show that the retired workmen were entitled to any relief.

The reference is answered accordingly and this is my award.

AWARD

By order No. 1484-I.R./IR/10L-116(C)/64, dated the 23rd April 1965, the Government of West Bengal in the Labour Department referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Indian Hume Pipe Coy. Ltd., P.O. Barakar, district Burdwan (Head Office at Construction House, Balard Estate, Bombay-1), and their workmen represented by the Barakar Hume Pipe Workers' Union, P.O. Barakar, Burdwan, regarding the matter specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issues

(1) Whether the closure of the factory at Barakar is bona fide and in the circumstances justified? To what relief, if any, are the workmen entitled?

(2) Whether the retrenchment of the following workmen is justified? To what relief, if any, are they entitled?

(1) Kuldip Goala, (2) Chandra Bahadur, (3) Gour Baidyakar, (4) Pradip Kumar Dey, (5) Dular Chand Prasad, (6) Gangadhar Pandey, (7) Mahendra Bhagat, (8) Sunil Kumar Chatterjee, (9) Balai Chandra Ghose, (10) Surendra Kumbhakar, (11) Sagar Chandra Ghose, (12) Paresh Gope.

On receipt of the order of Reference usual notices were served on the parties and they appeared and filed their written statements.

The Union's case in short is that Messrs. Indian Hume Pipe Company Limited (hereinafter referred to in this case as the Company) is the biggest Engineering Company in India with its Head Office at Construction House, Ballard Estate, Bombay-1, and factories and establishments numbering about sixty all belonging to the said Company are spread over in India and Ceylon. In West Bengal it has two factories, one at Barakar and the other at Konnagore in the district of Hooghly. The said Barakar factory has about 85 workmen, daily-rated as well as monthly rated. To ameliorate their service conditions, the workmen of Barakar branch of the Company organised a trade union of their own under the name and style of "Barakar Hume Pipe Workers' Union" and the said Union was registered in May 1955. The Management, however, could not accept the emergence of the Union with good grace and adopted tactics to disrupt and disorganise the Union. In November 1955, they transferred Shri Ram Swarth Prasad, the General Secretary of the Union at the time, to the Gouhati factory of the Company. He was, however, re-transferred from Gauhati to Barakar factory in June 1957, as he had organised a trade union of the workmen of the Gauhati factory. Shortly after the re-transfer of Shri Prasad to Barakar, the Union placed a Charter of Demand to the Company on 2nd September 1957. The Management are acted very sharply to this act of the Union and dismissed the Assistant Secretary of the Union, Shri Benu Binode Dingal, with effect from 4th September 1957. The Management also suspended without wages with effect from that very day, Shri Ananda Behara, another important and active member of the Union. The Company also declared lock-out of the factory from August 19, 1957 to August 27, 1957. The workmen of the Barakar factory represented by their Union took up the transfer of Shri Prasad, dismissal of Shri Dingal, suspension of Shri Behara and the lock-out and all these matters were referred to the Third Industrial Tribunal by Government of West Bengal, for adjudication. The Tribunal decided all the issues in favour of the Union and passed an award directing reinstatement of Shri Benu Binode Dingal with full wages for the whole period of his unemployment, payment of full wages for the days of suspension to Shri Ananda Behara and payment of full wages to all workmen for the whole period of lock-out. The award as passed by the Tribunal greatly annoyed the Management and in September 1961, they issued charge-sheets to 16 workers of the Barakar factory including the entire executive committee members of the Union excepting outsiders and dismissed them all after a domestic enquiry. As from before the dismissal of the 16 workers, a reference case between the Company and the Union was pending adjudication before the Third Industrial Tribunal, the Management filed an application under section 33(2)(b) of the Industrial Disputes Act before the Tribunal for approval of the said dismissal of the 16 workmen. The application under section 33(2)(b) was contested by the workmen and by order, dated 22nd December 1962, the learned Third Industrial Tribunal refused to approve the action taken by the Company against the workers observing *inter alia* that the enquiry leading to the dismissal was not fair and impartial enquiry and that all the principles of natural justice had been discarded in the same enquiry. Few days before this order to be more precise the early part of December 1962, a subsidence occurred towards the north of Grand Trunk Road affecting the surface area of about 100'×60'. It affected a part of the premises of the factory of the Company at Barakar but the factory itself was not affected. Notwithstanding the subsidence, the factory work was running smoothly. On May 4, 1963, there was another subsidence at Barakar but some 100' away from the factory of the Company. The approach road to the factory was badly damaged but the Company filled up the said road with sand and water and the road became quite fit for the trucks. Within the factory, however, there was no subsidence and it continued functioning smoothly as before. Though the factory itself was not affected by the subsidence, the Management used the subsidence as a weapon to crush the Union and threatened to close the factory on the false plea that the factory premises had become unsafe as a result of the repeated subsidence. The Union protested but without any effect and on 24th September 1964, the Management issued notice retrenching the 12 workers Mentioned in issue No. 2 under reference on ground of surplus. The Union challenged the retrenchment of these workmen as illegal and unjust but the Company did not listen to the protest but only deferred the date from which the retrenchment of the 12 workmen would be effective. The Union raised dispute over the retrenchment but whilst the said dispute was pending conciliation, the Company closed the factory with effect from 1st January 1965. Over the closure the Union also raised industrial dispute and the retrenchment of the 12 workmen as also the closure of the factory were taken up by the Conciliation Officer for amicable settlement. All attempts at conciliation, however, failed and both the disputes were referred to the Tribunal for adjudication. The Union has challenged both the closure as also the retrenchment as illegal and unjustified and contended that the Management had retrenched the 12 workers and also closed the factory by way of victimisation and prayed for reinstatement of the 12 workers as also for a declaration that the closure was illegal and unjustified.

In reply to the Union's written statement, the Company filed its own written statement on 7th September 1965.

Whilst denying the charges of victimisation, the Company has in its written statement filed, submitted that the Union has no case for reinstatement of the 12 retrenched workers or for the declaration that the closure of the factory with effect from 1st January 1965 was illegal and unjustified. It submitted that it had to close the factory with effect from 1st January 1965 as due to repeated subsidence in Barakar, including those in December 1962 and January 1963, the entire factory had become unsafe. As regards the retrenchment of the 12 workers mentioned in issue No. 2 under reference, the Company has stated that it had to retrench them because they had become surplus as a result of fall in production in the factory. This fall in production, the company has attributed to the decision taken by it shortly after the second subsidence, to close the factory as early as possible.

It is not disputed that the Indian Hume Pipe Company is an old concern with factories at Konnagore in the district of Hooghly, Barakar and other places in India. This factory at Barakar was closed by the Company with effect from 1st January 1965 and the admitted subsidence in Barakar in December 1962 and May 1963 has been adduced by the Company as the reason for its closing down the Barakar factory. It is said by the Company that as the entire factory area had become unsafe and unstable mainly as a result of the subsidences in December 1962 and May 1963, it had to close down the factory for the safety of the office staff and its machinery and other properties in the factory. If this case of the Company regarding the closure of the factory with effect from 1st January 1965, be found substantiated by the materials on record and the facts and circumstances of the case, certainly the closure was justified; if not the closure was certainly *mala fide* and for reasons mentioned by the Union in its written statement filed. It is now well-settled that the owner of a concern is the most competent judge to decide how best to reorganise the business economically or otherwise. As Barakar was only a limb of the entire concern, its closure practically amounted to reorganisation of the entire concern. If, therefore, this reorganisation was carried out for the safety of the factory's personnel and properties, certainly the reorganisation was *bonafide* and if the reorganisation was *bona fide*, the retrenchment of the 12 workers which was, in my opinion, a step towarsd the reorganisation, was also justified. The Union has, however, challenged both the closure as also the retrenchment as unwarranted and unjustified and has advanced the specific case that the closure and the retrenchment were both *mala fides* and were effected by the Company to crush it and victimise its members as it had on some previous occasions successfully thwarted the Company's attempts to victimise its members. In its written statement filed, the Union has mentioned several instances of the Company's attempts to victimise its members and these instances appear in paragraphs 7 to 13 of the written statement. The first of these instances appears in paragraph 7 and it has been said by the Union that as the Company could not relish the formation of the Union in 1955 for the betterment of the service conditions of the workmen of the Barakar factory, it had in 1955 transferred to Gouhati from Barakar factory Shri Ram Swarth Prasad, its general Secretary at the material time, to rob the workmen of their most effective and active leader. This Ram Swarth Prasad has deposed as P. W. 1 in the case and he has in course of his evidence said that he was transferred to Gouhati factory from Barakar factory and had been re-transferred from there to Barakar factory. These statements of Shri Prasad were not in any way challenged by the Company and it is not disputed that over his transfer to Gouhati, as also over the suspension without wages for 4 days with effect from September 4, 1957 of Shri Ananda Behara, a member of the Union, and the dismissal of Shri Benu Binode Dingal and the lock-out of the factory said to have been declared by the Management in August 1957, the Union had raised an industrial dispute and that the said dispute had terminated in an award in favour of the Union, in all the 4 matters. In paragraph 10 of its written statement filed, the Union has said that the then Learned Third Industrial Tribunal, who had heard the dispute relating to the transfer of Shri Ram Swarth Prasad, the dismissal of Shri Benu Binode Dingal, suspension of Shri Ananda Behara and the lock-out in August 1957, held that the transfer as also the re-transfer of Shri Ram Swarth Prasad were by way of victimisation and that the dismissal of Shri Dingal and suspension of Shri Ananda Behara and the lock-out of the Company in August 1957 were all illegal. Company's reply to this paragraph 10 of the Union's written statement was contained in paragraph 23 of its own written statement filed. But in this paragraph the Company has not challenged the correctness of any of the statements as made in paragraph 10 of the Union's written statement. In paragraph 11 of its written statement the Union has further said that the then Learned Third Industrial Tribunal had directed reinstatement of Shri Benu Binode Dingal with full back wages for the whole period of his unemployment, payment of full wages for the days of suspension to Shri Ananda Behara and payment of full wages to all workmen for the whole period of lock-out, and none of these statements was controverted by the Company in paragraph 23 of its written statement which paragraph also contained Company's reply to Union's written statement in paragraph 9. From these uncontroverted statements of the Union in paragraphs 7 to 11 of its written statement filed, it can be easily be concluded that from very shortly after the formation of the Union, the Company was trying to victimise its members in various ways, obviously with the idea to disrupt and crush it. This Company's policy of victimisation of the members of the Union did not end with the declaration of the illegal lock-out in August 1957 but continued even in 1961. On 28th September 1961, the Management of the Company issued charge-sheets to 16 workmen of the factory and ultimately dismissed them from service after a managerial enquiry. Dismissal of all the 16 workmen were, however, held illegal and unjustified in proceedings arising out of an application under section 33 (2) (b) of the Industrial Disputes Act, filed by the Company before the Third Industrial Tribunal, for approval of the dismissal of the 16 workmen. Reference to the dismissal of these 16 workmen and the Tribunal's decision on Company's application under section 33(2)(b) of the Industrial Disputes Act for approval of the dismissal is contained in paragraphs 12 and 13 of the Union's written statement and to corroborate the statements as contained in these paragraphs the Union has exhibited the certified copy of the Order passed by the then Third Industrial Tribunal on the company's petition for approval. The said Order was passed by Shri J. N. Mandal and in his Order he has made caustic costly comments against the Management. All these 16 workmen were charged for go-slow tactics and in the later part of the Order Shri Mandal has commented as follows :

> "It is significant that all these charge-sheeted workmen are the members of the executive committee of the Union and some of them have very little to do with the production. They are Benu Binod Dingal, who is a pumpman, Ram Swarth Prasad who is an engine operator, and the like. There is no evidence before the enquiring officer to show how these particular workmen out of so many could be specifically charged for the alleged go slow. Of course, one thing was certain about these workmen, that they are all the members of the executive committee of the Union and active participators in the trade union movement. That is all the evidence before the enquiring officer and that being the nature of the evidence recorded by the enquiring officer it is difficult, in my opinion, for a reasonable and fair-minded person to come to the findings and conclusions arrived at by the enquiring officer. His findings are definitely perverse not being based on legal evidence before him. The Management with a mala fide motive acted from the very beginning to make out a case for dismissal of these workmen who are members of the executive committee of the Union and so to say the main body of the Union. This is nothing but a glaring example of unfair labour practice and victimisation on the part of the company."

The enquiring officer, referred in these lines of Shri Mandal's Order was Shri Raha, the then Assistant Manager-cum-Circle Accountant of the Company and Shri Mandal's Order was full of adverse comments against him. As it will take more than a page to reproduce those comments, I am not reiterating all of them here. I refer only to that portion of the Order where Shri Mandal has observed that—"Shri Raha has identified himself with the Company so much so that he not only was very much against the Union of the workers but he went further to crush the Union and to wipe out its existence." In course of his evidence before the Tribunal in connection with Company's case under section 33 (2) (b) Shri Raha has stated that he was not aware of the existence of any union of the workers and this statement has been criticised by Shri Mandal as absolutely false statement made with the obvious idea to wipe out of the existence of the union. Observations made by Shri Mandal in his Order on the Company's application under section 33(2)(b) of the Industrial Disputes Act and the previous award passed by this Tribunal with respect to the industrial dispute raised by the Union over the transfer and re-transfer of Shri Ram Swarth Prasad, dismissal of Shri Binode Behari Dingal, suspension of Shri Ananda Behara and the lock-out declared by the Management in August 1957, abundantly establish that since the formation of the Union, the Company was all along taking step-motherly attitude towards it and was trying in various ways to victimise its members and thus to crush it but was never successful.

A few days before the Tribunal's Order on the Company's petition under section 33(2)(b) referred to above, a subsidence took place in Barakar. Immediately after the subsidence an inspection was held by Shri N. C. Dash, Inspecting Officer, Circle No. 3, Coal Board and he sent a letter to Messrs. Burrakar Electric Supply Co. Ltd., stating the result of his inspection. In course of that letter which is Ext. A in the case, Shri Dash has observed that the subsidence had affected a part of the premises of the factory of Messrs. Hume Pipe (P) Ltd., and also has a trend of extending towards the occupied quarters of the Hume Pipe Factory. Notwithstanding the subsidence in the factory premises, the factory works were admittedly going on as smoothly as before. Few months after the subsidence in December 1962, to be more precise, on 4th May 1963, there was admittedly another subsidence in Barakar factory and the effect of that subsidence vis-a-vis the Hume Pipe Factory at Barakar factory, we get from the report, Ext. A(1), of Shri G. C. Raha, Manager of the Factory, to the Chief Inspector of Mines, Government of India, Dhanbad. In the said report, which was dated 15th May 1963, Shri Raha has stated that on the afternoon of 4th May 1963, there was a subsidence some 100ft. away from their factory as a result of which the approach road to their factory was badly damaged and a portion of the Manager's Quarters near the factory gate was also damaged and had to be demolished as a precautionery measure. Shri Raha said further that excepting these damages there was no serious loss to the Company's property and persons at Barakar factory and that they had, since the subsidence, filled up the approach road with sand and water as required and the road was then quite fit for trucks. Shri Raha further observed that within the factory area, there was no subsidence and the factory was running smoothly. By this letter Shri Raha also requested the Chief Inspector of Mines to kindly visit the factory at his earliest convenience for necessary inspection to find out whether there was any further subsidence the area. This letter, Ext. A(1) was followed by another letter, dated 27th June 1963, Ext. A(2) of Shri Raha to the Chief Inspector of Mines, requesting him to send his report as desired in the letter Ext. A(1) and in reply to Ext. A(2), the Chief Inspector of Mines sent a letter, dated 10th/18th July 1963 to the Manager, Indian Hume Pipe Factory, Ext. A(3) informing him that the whole factory area was over unstable ground. This letter was sent by the Inspector of Mines for information of the Company as also for necessary action by it in the matter. As evidence come, it can easily be said that no action to safe the premises from further subsidence was taken by the Company before or after the letter of the Inspector of Mines referred to above, and instead it started enquiries for finding out a suitable plot for the shifting of the factory as will be apparent from a serious of letters, viz., Exts. A/20, A/21, A/23, A/24, A/25, and Exts. D, C(6), C(5) and C(4), covering the period from 6th May 1963 to the end of August 1963. While, however, arrangements for alternative plot for shifting the factory were going on, the Head Office of the Company at Bombay decided to completely close down the factory and communicated their decision to Shri H. K. Majumder, Company's Circle Engineer in charge of Barakar, Konnagore and other factories at that time, by their letter, dated 12th September 1963, marked Ext. C(3) in the case. This decision about the closure of the factory as taken by the Head Office was translated into action on 31st December 1964, when the Company gave a notice Ext. A(11) closing the factory with immediate effect. The reason for the closure as given in the notice Ext. A(11) was repeated subsidence in Barakar factory. The Union has challenged the closure as illegal and unjustified and submitted that after its repeated failure to victimise the members of the Union by transfer, suspension, dismissal and look-out, the Company has dishonestly used the subsidence as weapon for victimising the workers. The Union further submitted that though in spite of the subsidences, the factory was functioning smoothly as before, the Management has decided to close the factory as it had, in August 1963, given a notice of strike for Company's refusal to pay the workers' bonus for 1961-62. In short, the Union's case regarding the closure is that the Management had no justifiable ground to close down the factory and had only made mala fide use of the subsidences to victimise the workers by retrenching some of them as surplus and by terminating the services of the rest on ground of closure. If this case of the Union be found substantiated by the evidence on record and the facts and circumstances of the case, certainly the closure as also the retrenchment of the 12 workmen and the termination of services of the rest, mentioned in the Order of Reference, must all be held illegal and unwarranted. The Company has seriously challenged this case of the Union and led evidence to prove that the closure was bona fide and not inspired by any mala fide motive on its part to victimise the workers. Strangely enough, evidence adduced on behalf of the Company proves the mala fide of its case before the Tribunal.

To justify the closure and the retrenchment of the 12 workmen, the Company examined two witnesses, viz., Shri H. K. Majumdar, its Circle Engineer in charge of Patna, Gauhati, Konnagar, Barakar and Calcutta Offices at the material time and Shri Ashim Kumar Das Gupta, In-charge of Factory since 10th April 1964, and also exhibited numerous documents. At page 2 of his evidence in reply to questions put to him by the Company's Counsel Shri K. P. Mukherjee, Shri Majumdar said :

> "In 1959 or 1960 or nearabout that, there was some trouble in the Barakar factory. As a a result, 15 or 16 labourers were dismissed. From this Tribunal, order for their reinstatement was passed, but the Management did not like to reinstate them and so closed the factory."

This evidence of Shri Majumdar sufficiently corroborates the Union's contention that the closure on the plea of subsidences was not bona fide but was only by way of victimisation and there is no reason why this statement of Shri Majumdar should be disbelieved. He was intimately connected with the Company at the material time as one of its very responsible Officers and even, at present, he is holding the important post of Principal of Jadavpur Polytechnic. Why such a gentleman shall give perjured evidence in a case in which he is not the least interested I fail to understand and the Company also has not adduced any reason for Shri Majumdar's giving false evidence against it. His evidence quoted above, was definitely against the Company's case but still the Company has not pressed for declaring him hostile and for cross-examining him. In this view of the matter his evidence as cited above, must be accepted as true and on his evidence alone the

Union can ask for an award in its favour on both the issues under reference. Not only the Union's case regarding the closure gets corroboration from the lines of Shri Majumdar's evidence cited above, but also from other evidence before the Tribunal and from the conduct of the Company itself since the second subsidence.

It appears from the Company's documents exhibited in the case that during the pendency of the case before the Tribunal, the Company was making enquiries from the Chief Inspector of Mines regarding the possibility of re-starting of the factory at its original site and there were correspondences between the Company and the Inspector of Mines over the matter. While the correspondence was going on Shri S. P. Ganguly, R. I. M. No. 1 Region, Sitarampur, submitted a report which is Ext. B(1). In the report Shri Ganguly observed that the Hume Pipe Factory is situated on goaf made in the last part of the 19th Century and, therefore, dangerous for habitation. Shri Ganguly has further observed in the report that as the factory has already been declared unstable, re-starting of the factory on unstable ground cannot be recommended. It thus appears that the Company has started the factory at Barakar with full knowledge that the factory site was dangerous for habitation and as a matter of fact signal of danger came in December 1962, when the first subsidence took place at Barakar and slightly affected the factory premises. Even after the subsidence, the Company was running the factory as before and the documents exhibited on behalf of the Company also indicate that the Company had not the slightest inkling of closing the factory after the subsidence, Few months after, i.e., in the first week of May 1963, another subsidence took place at Barakar and this time the factory Manager's quarters was damaged by the subsidence. The approach road to the factory was also badly damaged. It is apparent from the Company's documents that notwithstanding this damage to the approach road and the Manager's quarters, the local management or for the matter of fact, the Head Office at Bombay had not thought of closing the factory in the few months following the second subsidence. For the first time in September 1963, the Head Office intimated the local management that it had decided to close the factory for the subsidence but I am constrained to observe that this decision the Head Office has taken not for the subsidences but for the strike notice given by the Union in the middle of August 1963, over the question of bonus for 1961-62. In paragraph 22 of its written statement filed, the Union has averted that the decision of closure was first intimated to it after the submission of its strike notice dated 19th August 1963, with regard to their legitimate demand for bonus for the year 1961-62 and in course of his evidence before the Tribunal Shri Sunil Sengupta, General Secretary of the Union, has said that after he had given a strike notice for non-payment of bonus in 1961-62 in August 1963, the proposal of the closure of the factory was first notified. Paragraph 33 of the Company's written statement contains Company's reply to paragraph 22 of the Union's statement but neither this paragraph nor the evidence of any of its witnesses in the case contains any categorical denial to this case of the Union ; not only that, the Company has not also led any evidence to so that it has taken the decision to close down the factory before the strike notice above referred to. It can, therefore, be concluded that the decision to close down the factory was taken only after the Union had given the notice of strike over the question of bonus in 1961-62 and this fact in my opinion, is another circumstance indicating the mala fide of the closure of the factory. Company's own documents, viz., Ext. A(2), a report, dated 10th/18th July 1963, from the Chief Inspector of Mines proves that in the later part of July 1963, the Company was aware that the whole factory area was over unstable ground. Even after this report, no immediate step towards closure was taken by the Company and it waited till September 1963, to take the decision to close the factory when already the Union had given the notice of strike over bonus for 1961-62. The decision to close the factory was not also followed by immediate closure and the closure was actually effected with effect from 31st December 1964, though in between the second subsidence of 4th May 1963 and 31st December 1964, there was no further subsidence in the factory site or the approach road or anywhere at Barakar factory. The Company said that for the repeated subsidence, it had become apprehensive about its properties and staff and so, had closed the factory for their safety. If safety of the properties and the workmen was really the reason behind the Company's decision to close the factory, it would have closed the factory immediately after the second subsidence or at least after July 1963, as by that time it had in its possession materials, viz., the Chief Inspector of Mines' letter, dated 10th/18th July 1963, indicating that further continuance of the factory was dangerous to its properties and staff. But it did not close the factory before December 1963, explanation being that it had to run the factory till then to complete the orders in its hand at the time the decision for the closure was taken. This explanation again does not seem credible as it is proved by Shri Majumdar's evidence that orders in hand on the date of the decision could have been easily diverted to the Konnagore factory for compliance. At page 2 and page 3 of his evidence before the Tribunal, Shri Majumdar said—"Even after 1963 subsidence, Barakar factory was receiving orders from parties including Government, but they were diverted to Konnagore factory for some time because the pipes were then not being manufactured in Barakar factory. The Company was then not making any pipes in Barakar factory as it had decided to close it". For supplying the orders in hand in September/August 1963, it was therefore not necessary to run the factory up to the end of 1964 and I hold that the explanation given by the Company for running the factory up to the end of December 1964 notwithstanding the 1963 July report of the Inspector of Mines, was absolutely a false and frivolous explanation. I further hold that the Company has come up with this false explanation as it found no other way to reconcile the running of the factory up to the end of December 1964 with its case that solely for the safety of its staff and properties, it had in September 1963, taken the decision to close the factory. The decision to close the factory was not also, in my opinion, due to the reason given by the Company, viz., the safety of its staff and properties as, if really the Company was anxious about the safety of its staff, it would have immediately, after the subsidence of December 1963 or at least after the subsidence of May 1963, taken steps to protect the factory premises against the damages by further subsidences. In course of his cross-examination Shri Majumdar said—"In coal mine areas, sand-stowing is done to fill the vaccum underneath to make the ground safe from subsidence. G.T.Road will be about 50 or 55 ft. off from the factory. The Road was closed for the subsidence, but a diversion road was opened by its side There was sand-stowing under the G.T. Road after the.

subsidence as also under the cinema house just opposite the factory. The G.T.Road is between the cinema house and our factory and I have seen the sand-stowing underneath the cinema ground. The Company made no arrangement for sand-stowing underneath the factory ground. I have received no report of subsidence since after the subsidence in 1963 till I had left the Company''. Certainly the Management in the Head Office were not prophets and at the time they had taken the decision to close the factory, they certainly could not for that there would be no further subsidence. If, therefore, safety of the staff and the factory properties had guided them to take decision to close the factory, they would have directed protection of the factory premises by sand-stowing for it was not then known to them how long the local management would take to close the factory. As evidences come, it can unhasitatingly be said that none of the subsidences was followed by any action on the part of the Company to protect the factory promises from further damage by subsidence and this conduct on the part of the Company is irreconcilable with its case that for the safety of the staff and properties, it had decided in 1963 to close the factory. The Hume Pipe Factory is not the only factory or business concern at Barakar. At the meterial time there were at Barakar several other factories and business concerns such as Malancha Cinema, Electric Power House intallations, Police Outposts,etc a.,sa lso Government Offices but none of them was closed down or shifted for the subsidences referred to above (vide the evidence of Shri Sunil Sen Gupta, P.W.3). Shri Himangshu Majumdar, witness No. 1 for the Company has also said that no factory at Barkar had been shifted after the second subsidence. It is proved by Exts. A, A(3) and A(5) and the enquiry the Company made immediately after the second subsidence to shift the factory to a place outside Barakar, that entire Barakar was on unstable ground. If therefore danger to the safety of the factory and its personnel was the only reason for the Management's decision to close down the factory the other concerns at Barakar or at least some of them, would also have taken similar steps. It cannot be argued on the materials on record that any of these other concerns was not interested in the safety of its staff and properties. When therefore none of these other concerns including factories had not closed down as a result of repeated subisdences at Barakar, it is futile to argue that apprehension of danger to the safety of the factory staff and properties for the repeated subsidences had prompted the Head Office Management to take the decision to close the factory. In other words, in my opinion, the undisputed fact that none of the other concerns at Barakar has been closed down after the subsidences proves the frivolity of the Company's case that it had to close down its factory for safety of its workmen and properties.

Considered from another aspect also, this plea of safety for the factory personnel as taken by the Company to justify the closure, will also be found untenable. As a result of the Management's decision to close the factory the 12 workmen mentioned in issue No. 2 were retrenched and services of the rest of the workers terminated and I am of opinion that dismissal of the workmen of Barakar factory, either by retrenchment or by termination on the ground of closure, also proves the mala fide of the Company's plea for the closure. In course of his evidence in cross-examination O.P.W.1 Shri H. K. Majumdar has said that there were transfer of workers in between the different factories of the Company. This evidence of Shri Majumdar read with the evidence of O.P.W.2 that he was transferred to Barakar factory from Konnagar factory, and the evidence of P.W.2 Shri Benu Binod Dingal that he and Anand Behara, Joykishon Mahato, Lakshman Nayet were transferred from Konnagar to Barakar and the undisputed transfer of P.W.1 Shri Ram Swarth Prasad from Barakar factory to Gouhati factory and his retransfer from Gouhati to Barakar factory, prove that transfer was one of the incidences of service of the factory workmen of Indian Hume Pipe. When, therefore, workers were transferable from one factory to another at the option of the Management in applying the principle 'last come first go' in retrenching a particular workman, the question of seniority of the retrenched workers must be decided with reference to the date of his appointment and not to his period of service in a particular factory while working at the time of retrenchment. Though the Company has, in the notices of retrenchment of the 12 workmen mentioned in issue No. 2, said that they have been retrenched on the principal of 'last come first go', on the evidence on record and on the Company's own written statement, I cannot uphold this case of the Company. In applying the principle of 'last came first go', the Management have confined themselves only to the workers of the Barakar factory. This procedure followed by the Company to apply the test of 'last come first go' cannot be justified by me for reasons already stated and I hold that when the Company has completely ingored the dates of appointment of the workers of the different factories to decide the question of seniority of the retrenched workers, the retrenchment was bad and illegal. In paragraph 1(ii), the Company has no doubt said that the workmen of the Company were engaged locally and were also discharged there. But this submission has been falsified by Shri H. K. Majumdar's (O.P.W.1) evidence to the effect that the workers were transferable from one factory to another. When, therefore, it is conclusively established that while retrenching the 12 workmen as mentioned in the list or terminating the services of the other workmen on the ground of closure, the Company has not considered the question of their seniority vis-a-vis the workmen of the other factories for instance, the workmen of Konngar and Gouhati factories, both the retrenchment and the termination of the services at Barakar factory were illegal and unjustified. If in a Company with several branches, the seniority of a workman liable for transfer from one branch to another be determined not with respect to his date of his first appointment under the Company but with reference to the period of his service in a particular branch in which he was working at that time he was retrenched the Company can very easily dispense with the service of any workman not in its favour, by transfering him to a branch where there was not sufficient work for him and subsequently retrenching him as a surplus in the said branch following the principle of 'last come first go', even though he had put in more years' service than anyone of that branch. In my opinion,in a Company with several branches, the seniority of a transferable worker must be determined with reference to his date of appointment and not to his length of service in any particular branch and when the test for determining the seniority of the concerned retrenched workmen was not followed by the company while applying the principle of 'last come first go', it must be held that the retrenchment of all the workers was bad in law. It is true no doubt, that by the time these workers were retrenched, production in the factory has considerably fallen and that the factory had not sufficient works for its total strength of workers. This fall-in-production would have justified the retrenchment of the 12 workmen if it was found that their length of service with reference to the date of appointment under the Company was lesser than any of the other workers of the factory but when no such decision can be given on the evidence led by the Company, retrenchment cannot be justified notwithstanding the fall-in-production. This fall-in-production was admittedly due to the Company's decision to close the factory but I have already indicated that the decision taken by the Head Office to close the factory, was taken not for the subsidences but for victimising the members of the Union which, since its inception, was a constant head-ache to the Company. It is proved by the evidence of Shri H. K. Majumdar, O.P.W.1 that even in 1964, Barakar factory was running on profit and that compared to Konnagar factory Barakar factory had some special advantages. Materials necessary for the production of pipes were easy available and the factory also was getting stone-chips at a lesser cost. Transport charges for the factory was also lesser than for Konnagar factory. As sand and stone-chips were the main raw materials for the pipes prepared by the Barakar and Konnagar factory, certainly production at Barakar factory was more economical than at Konnagar but still, the Company has closed the Barakar factory on the ground of unstability of the factory premises due to repeated subsidences. For the aforesaid facilities available at Barakar factory for manufacture of pipes, any Company manufacturing such pipes would have notwithstanding the subsidences, first attempted to save its factory from damage by further subsidences by sand-stowing or would at least, have tried to shift the factory to a place where they could still get the facilities available to the Barakar factory. But the Hume Pipe Company did not make any attempt to protect the factory premises against further damages by sand-stowing. Up to the end of August 1963, it made certain attempts to shift the factory and then decided to close down the factory altogether. This decision to close down was taken not because alternative site for shifting of the factory was available but, because the factory labour was found a constant source of trouble. The Company has no doubt, submitted that it had decided to close the factory as for the repeated subsidences it had become apprehensive about the safety of the factory staff and properties, but this submission has already been found unacceptable. Running of the factory up to the end of 1964, notwithstanding the 1963 July-Report of the Chief Inspector of Mines to the effect that the entire factory was on the unstable ground, indicates the mala fide of the reason given by the Company to justify the closure. The Company has no doubt said that it had to run the factory up to 1964 to meet its obligations under the contracts for supply of pipes received before the decision to close down the factory but as Shri H. K. Mamumdar's (O.P.W.1) evidence conclusively proves that these orders could have easily been diverted to Konnagar factory for compliance, this explanation the Company has given for the running of the factory up to the end of 1964 cannot be upheld and I conclude that this running of the factory up to the end of 1964 proves the mala fide of the Company's case that it had to take the decision to close the factory for the safety of the factory personnel and properties. I further conclude that the Company has closed the factory and also retrenched the 12 workmen mentioned in issue No. 2, not for any bona fide reason but because it found no other way to dispense with the services of Barakar factory workers who were since the formation of their Union, fighting the Company for betterment of their service conditions Of the factory workmen whose services have been terminated on the ground of closure, some were transferred to Barakar factory from Konnagar factory and the question of their seniority vis-a-vis the workmen of Konnagar factory was not also considered by the Company when terminating their services on the ground of closure. This aspect of the case also, in my opinion, supports the findings already made that the closure was not for the reasons given by the Company but for victimising the workers for the pressure they were putting on it through the Union for improvement in their service conditions.

In view of the findings and the discussions made above, the retrenchment of the 12 workmen and the closure of the factory are both held illegal and unjustified. The workers mentioned in issue No. 2 as also those whose services have been terminated on the ground of closure must therefore be deemed to be still in service of the Company and they do get all their wages and other allowances, if any, with effect from the date their services were terminated.

This is my award which is to be implemented within two months of its publication in the "Calcutta Gazette".
